OFFICE NOTE.

SUBJECT. Grant for the Muhammadan hotel, Georgetown.

From the Govt. of India, Sept 1914.

Register No. 452.

para. 6 of letter no. 8887P
20.1.14

The amount of the non-recurring grant asked for from the Govt. of India in aid of the Muhammadan hotel in Georgetown was Rs 32,000. As they now ask this Govt. to ^(the balance of) bear Rs 16,000 from Provincial revenues, it is ^{apparent} ~~clear~~ that what they are prepared to give is Rs 16,000, and not Rs 15,000 as it is put in the telegram.

(P) 2. In G.O. 1046 Etd, the 7th September 1914, the Govt. have already sanctioned a grant of Rs 32,700 towards the cost of constructing the hotel. If the Govt. of India had not offered Rs 16,000, the whole amount would have been met from Provincial revenues, that is, from the provision for building grants. India's present offer may therefore be accepted.

3. It is not known whether it is possible to disburse the money before the 31st March next, as under art. 53 (i) of the Grant-in-aid Code.

grant can ^{ordinarily} be paid only after the completion of the building according to the approved plans and estimates. Clause (iv) of that art., however, provides for the payment of advances from time to time, if the Director is satisfied that the work is proceeding satisfactorily. The grant promised by the Govt. of India may, perhaps, be given as an advance to the Muhammadan Educational Association of Southern India, under whose auspices the hostel is being erected. The D.P. may be requested to state whether he agrees to the course suggested. The following telephonic message to him is submitted for approval:—

"Please see G.O. No. 1046. ED. dated 7th September 1914, sanctioning a grant of Rs 32,700 towards the construction of Boddan Muslim Hostel in Georgetown. ~~for~~ Govt. of India propose to give an Imperial grant of ~~Rs~~ about Rs 15,000 for this hostel, provided balance is met from Prov. revenues and money is disbursed before 31st March next. Please say whether the grant, if made, can be disbursed before the close of the year. Presumably the balance can be found from budget provision."
