Ref. on Cur. No. 10343/14,

Station Madras, Dated the 19th January 1915

From (Name) The Hon. Mr. J.H. Stone, M.A., F.R.H.S.C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.
/Through the Accountant General/
Sir,

I have the honour to request that you will be so
good as to obtain the sanction of Government for the
employment for a period of one year with effect from 1st
July 1915 of a Sanskrit Pandit on Rs.30 in the Government
Secondary and Training school for mistresses, Triplicane.

2. The revised scale of staff sanctioned for the
above school in G.O.No. 586 Edl., dated 21st June 1913
does not include provision for a Sanskrit Pandit. The
Inspectress of ^{Girls'} Schools, Central Circle, states that there are

sa

at present 29 widows in the Brahman widow's hostel attached to the school -- the number of scholarships allotted being 30 -- and that as all the scholarship holders are anxious to study Sanskrit she considers that the time has come for the employment of a Sanskrit Pandit since in her opinion the introduction of Sanskrit teaching will induce many more widows to join the hostel and thus pave the way for making it as well as the school more popular. Further, with a view to preparing the widows thoroughly for the teaching profession and for employment in the large number of Hindu Girls' schools under public management in this Presidency, it is reported that a knowledge of Sanskrit is very desirable. In these circumstances and having regard to the fact that

(U) Government in their order No. 1076 Edl., dated 15th September 1914 have generally approved of the Director's proposal to improve the study of languages other than English, under the scheme for the award of Secondary School Leaving Certificates by making Sanskrit in group C alternative with vernacular composition and translation under Group A, I consider the Inspectress' proposal to be reasonable and I accordingly beg to support it.

3. As regards the salary of the Pandit in question, Miss Lynch proposes that it ~~should~~ be fixed at Rs.60 per-mensem so as to allow of the appointment of a Hindu lady with a scholarship in Sanskrit, but I consider it rather high in view of the experimental nature of the proposal and the difficulty of securing and retaining the services of a female Sanskrit Pandit. The minimum pay of Pandits in Secondary schools under departmental management has been laid down as Rs.30-2-40 (biennial), and I would suggest that in the present instance also, the pay of the Pandit proposed to be employed be fixed at the minimum pay of the scale.

4. Miss Lynch wishes to attach the post to the Brahman widows' hostel, but I consider that it should be borne on the staff of the secondary and training school. If the pandit is required to coach the widows in the hostel in Sanskrit out of school hours and during vacations he should, I think, be granted an extra salary of Rs.10 per mensem for the additional work.

5. The extra expenditure which the above proposal will entail will amount to Rs.320 during the next official year for meeting which, I shall submit a reappropriation statement on receipt of the Civil Budget Estimates for that year.

I have the honour to be,

S i r,

Your most obedient servant,
