To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to forward a list of the publications of the Connemara Public Library showing the year in which they were published, their prices, and the number of copies remaining for sale. I am of opinion that it is improbable that any considerable number of copies will be sold at the present prices and that these should be reduced to bring the books within the reach

reach of the vast majority of readers in the library and to clear the stock.

2. The catalogue was published in 1908 and four supplements have been since issued. A fifth supplement will be published shortly. It will be necessary to issue a revised edition of the Catalogue in the next few years, and this will necessitate the publication of a fresh edition of the Subject-Index; but it is desirable before the revised editions are taken in hand to clear the existing stock. I have accordingly the honour to request the sanction of Government to the reduction of the prices of the Catalogue and of the Subject-Index to one rupee per copy and of the four supplements to the former to one anna per copy.

I have the honour to be,
Sir,
Your most obedient servant,
L. N. Henderson.
