READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 27th August 1914.

No.—Ref. on Cur. 4525.

The correspondent of St. Antony's Poor European School, Pudupet, Madras, wishes to purchase for the use of the school the site, with the house and buildings thereon, situated opposite to the school and owned by Mr. C. A. Bullmore. She says that the property is offered for Rs. 16,000 and applies for a two-thirds grant. The school is now under the management of the Sisters of the Church, and its strength has risen from 72 to 201 since they assumed charge of it in 1911. The Inspector of European and Training Schools states that this is the only school in a crowded part of the city, that the present accommodation is hopelessly defective, that there is no room in the church compound either for extension or for a play ground and that he advised the management to secure this property. The Collector of Madras has, at my request, forwarded the enclosed valuation statement, and he has at the same time informed me that a similar valuation statement has been furnished to the Superintendent, Government Ophthalmic Hospital, in connection with a proposal to acquire the property for the accommodation of the Second Military Assistant Surgeon attached to the hospital. I understand that the Surgeon-General with the Government of Madras has already addressed Government for the acquisition of the property in question for the use of the Medical department. I beg, however, to submit that it will be very difficult, if not impossible, to find another site in the neighbourhood of the school, and it is therefore for consideration whether the claims of the school to the site in question or of the Medical department are more urgent. If Government decide that the school may have the property, I beg to recommend that a grant equal to two-thirds of the estimated value of the property may be sanctioned under article 57 of the Code of Regulations for European Schools as a special case as this is a poor European school.

2. The Collector of Madras says that the value of the buildings entered in column 14 of the valuation statement has to be verified by the Public Works Department. A sketch of the property in question will be submitted to Government on its receipt from the Collector.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 3rd September 1914.

No.—Ref. on Cur. 4525.

In continuation of my letter R.C. No. 4525, dated 27th August 1914, I have the honour to submit herewith the sketch of the site proposed to be purchased for the use of St. Antony's Poor European School, Pudupet, Madras.

III

Letter—from the Superintending Engineer, V Circle.

To—the Chief Engineer, Public Works Department.

Dated—the 26th August 1914.

No.—919-W.

With reference to your Memorandum No. 734 Wks.-B, dated 18th May 1914, I have the honour to state that I estimate the value of the building and land belonging to Mr. Charles Bullmore in Marshall's Road, Egmore, at Rs. 11,835 or say Rs. 11,900 in round figures, and enclose herewith the valuation statement therefor. A statement showing the condition of roof timbers is also enclosed from which it will be seen that the terraced roof of the main building is beyond repair and requires relaying. The report attached to the valuation statement describes in detail the present state of the main building and of the out-houses. The repairs necessary to bring the building to a habitable condition are estimated at Rs. 4,600. The accommodation available seems also very poor; and I do not consider that the building is, under the circumstances, worth acquiring. The site plan received with your memorandum under reference is herewith returned together with an enlarged site plan and plans of the main building and out-houses.

Order—No. 213, Educational, dated 24th February 1915.

Under article 57 of the Code of Regulations for European Schools, the Government are pleased to sanction, as a special case, a grant not exceeding two-thirds of the actual expenditure, nor Rs. 7,933, towards the cost of purchasing the building required for the St. Antony's Poor European School, Pudupet, Madras, provided that all the conditions prescribed in the Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.
