From (Name) The Hon Mr. J.H. Stone, M.A., C.I.E., F.R.H.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

The hostel building in connection with the A.B.M.

High School, Nellore, now known as ^{the} Coles Ackerman Memorial

High School, Nellore, for which a grant of Rs. 12,700/- was

(U) sanctioned in G.O. No. 818 Edl., dated 13th July 1914, has

been completed in accordance with the approved plan and

estimate. The Correspondent states that four old wells

and several gravel pits were encountered in digging the

foundation trenches and that these wells were made safe

and the pits were filled with concrete at an additional cost of Rs. 686/-. He requests that an additional grant of half this extra cost may be given to him. The Executive Engineer in his completion report (copy enclosed) states that this extra work would have resulted in an excess cost of about Rs. 600/-. In these circumstances, I have the honour to recommend that an additional grant not exceeding one half of the extra cost involved may be sanctioned.

2. The approved estimates and a statement showing the cost involved on account of old wells and pits in the foundations are herewith submitted.

I have the honour to be,

Sir,

Your most obedient servant,

Certified that the above work which has been inspected by me personally has been carried out according to the approved plan and estimate, in a satisfactory manner, with the following exceptions:-

The foundations are slightly deeper than provided in the original estimate.

That the deviations are not of such a nature as to affect the stability or the suitability of the building and that in my opinion the deviations would have resulted in an excess cost of about Rs. 600/- above the sanctioned estimate.
