FORT SAINT GEORGE.

Thro'

The President,

District Board, Chittoor.

Sir,

I have the honour to bring to the kind notice of the
Government that the Budget of this Taluk Board for the official
year 1915-16 closes with a deficit balance of Rs.11240/-
after providing for the normal expenses. The President, Dis-
trict Board, has in his minute on the budget observed that the
Taluk Board has provided Rs.5920/- for the maintenance of schools
from its own funds and that if half of the land cess Rs.6095/-
is allotted to roads there would be left a very insignificant
amount

acc apart from
normal expenses

2
to meet other charges
amount to such as medical, vaccination, sanitation etc.,
and that the expenditure under education was too large
and was not in proportion to its receipts. He has there-
fore proposed that schools maintained from the funds of
the Taluk Board costing Rs.3000/- should be closed. The
District Board has also approved the above proposal and
the Taluk Board was asked for an expression of opinion
on the matter.

2. The proportion of the budgetted expenditure on education
to the normal income is 37.52% as against 31% which is the average
of actual expenditure during the last 3 years. The number of
old schools is no doubt a few too many having regard to the
income but this high percentage is also largely due to the
gradual expansion of these schools necessitating an increased
establishment as per educational rules. But considering
that these schools have all been existence for a long time
and have done substantial good in educating the villagers
it appears to be hard to close these important and necessary
institutions. They are situated in important villages and all
of them are thriving well. Almost all of them are provided
with pucca buildings and if they are to be closed the money
spent on the buildings would be a waste.

3. The present day policy of the Government is to encourage
Elementary Education and the Board is unwilling to take a step
which will be a ~~derivation~~ ^{derivation} from this policy. As the finances of
the Board are quite unequal to meet this heavy expenditure
on Education the board on a consideration of all the above cir-
cumstances have in its resolution No.16 dated the 12th December
1914, (Copy enclosed) resolved to addressed the Government for help.

4. Unless the Government is pleased to come to the aid of
the Taluk Board there appears to be no help for it but to close
the schools on the 31st March 1915. I request therefore that
the Government will be pleased to make a recurring grant of
Rs.3000/- a year for the up-keep of the schools maintained from
the Taluk Board funds so that the Taluk Board may be in a position

position to keep them going.

Current No. 2302 from the P.T.B. Chittoor No. 967, dated 2.1.1915.

SUBJECT.

Subsidy of Rs 3,000 for the maintenance of certain existing schools under the Chittoor Taluk Board.

See

See

cf. G.O. No 319 Ld 24.2.13
and No 1573 Ld 5.9.14

The P.T.B's letter explains fully the financial condition of the Taluk Board of Chittoor and its inability to maintain certain schools costing Rs 3,000 per annum. It, therefore, proposes to close ^{these} ~~certain~~ schools (their number not stated) unless the Govt. come to its aid. The poverty of this as well as of the other taluk boards in this Dt. has been brought to the notice of Govt. before this, and the Dt. Bd is also a comparatively ~~a~~ poor one and is apparently unable to come to the aid of the Taluk Board on this occasion. It may be noted, however, that the net local fund expenditure on education in this district as a whole since its formation in 1911 has been above the Presidency average as will be seen from the figures below:—

Year.	Proportion of net expenditure on education to current income	Presidency average.
1911-12	9.0	7.9
1912-13	10.8	8.9
1913-14	10.3	9.2

2. As stated by the P.T.B. the closure of existing schools is not a desirable step and is against the present policy of Govt. which is to open more schools as far as possible. The P.D.B. strongly supports the request of the taluk board for an annual subsidy of Rs 3,000 from Govt. funds.

3. For orders whether the question of making an annual subsidy of Rs 3,000 per annum to this Taluk Board may be remitted to the Educational Dept for consideration or whether the Taluk Board may be told that it will not be permitted to curtail its expenditure on education and must make due provision for the maintenance of existing schools with such help as may be forthcoming from the funds of the District Board.
