G.O. No. 1207, Educational, dated 29th October 1914.

ABSTRACT.—Sanctioning the employment for a period of one year from the 1st July 1915 of a Tamil pandit on Rs. 30 per mensem in the incomplete secondary school for Muhammadans in Georgetown, Madras.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 3rd February 1915.

No.—Ref. on Cur. 10419 of 1914.

In their order Mis. No. 1207, Educational, dated the 29th October last, Government sanctioned the employment, for a period of one year from the 1st July 1915, of a Tamil pandit on Rs. 30 per mensem in the incomplete secondary school for Muhammadans in Georgetown, Madras. The Inspector of Schools, while pointing out that it is not expedient to defer the entertainment of the pandit mentioned above till July next, recommends that the staff of the school be strengthened further by the appointment of an additional assistant on Rs. 40 per mensem, a combined drawing master and clerk on Rs. 20—1—25 and a gymnastic instructor on Rs. 15 per mensem.

2. In Sir Alfred Bourne's letter R.C. No. 4219, dated 2nd September 1913, embodied in G.O. No. 107, Educational, dated 23rd January 1914, a staff of six

teachers as detailed in the margin besides the headmaster who, it was stated, would devote half his time to teaching work and

the other half to supervision was proposed on the ground that the lower classes were not expected to be "very strong." It is now reported that the time of the headmaster is largely taken up with the supervision of the work of his assistants and with office work, in that it is very necessary at this stage of the school's existence, and that the remaining members of the staff who are six in number cannot cope with the teaching of the eight classes which the school consists of. The Inspector consequently suggests the appointment of an additional teacher on Rs. 40 per mensem. I do not, however, consider that the strengthening of the staff is a matter of urgent necessity seeing that the school has of late suffered owing to the prevalence of cholera and other epidemics which resulted in a drop in its strength from 114 in September to 67 in November last. At the same time I am convinced that for the reasons set forth above the headmaster is urgently in need of some relief and I have accordingly the honour to request that Government will be pleased to sanction the employment of the Tamil pandit mentioned in the Government Order quoted above from 1st March next. The above arrangement will not only meet the wishes of the Muhammadan community with regard to the early introduction of Tamil teaching in the school but will also admit of the placing of the infant standard with five pupils in his charge as at my suggestion the Inspector has been able to secure the services of a good Muhammadan teacher competent to teach both Hindustani and Tamil.

3. As regards the appointment of a gymnastic instructor and a combined drawing master and clerk, it seems to me that the employment of a clerk is unnecessary but that the existing provision for teaching drill and drawing in the school is hardly

adequate. It is reported that the common drawing master and the gymnastic instructor employed in connection with the Government Muhammadan elementary schools for boys in Madras have been able to impart instruction in the respective subjects to the pupils of the Georgetown school only for half a day in the week and that this arrangement is unsatisfactory. In view of the importance of drill and drawing especially to Muhammadan youths, I beg to request that you will be so good as to obtain the sanction of Government to the entertainment with effect from the 1st March 1915 of a combined drill and drawing master on Rs. 30 per mensem in the Georgetown school.

4. The extra expenditure which these proposals will entail will amount to Rs. 720 per annum and although provision for the salary of the Tamil pandit for eight months has already been made in the civil budget estimates for the ensuing year, I would suggest that the entire charge be met from the recurring grant of Rs. 30,000 made by the Government of India for the improvement of Muhammadan education.

Endorsement No. Pa. 2-25526, dated 13th February 1915.

Forwarded with the remark that the present scale of the teachers mentioned in paragraph 2 of the Director of Public Instruction's letter has been verified and found to be correct and the cost of the establishment, exclusive of the headmaster who draws Rs. 75 per mensem in the cadre of Sub-Assistant Inspectors of boys' schools, is Rs. 204 per mensem.

2. There is no audit objection to the proposal of the Director of Public Instruction being sanctioned and to the extra expenditure being met as indicated.

T. P. R. R. STRACEY,
Asst. Accountant-General.

To the Secretary to Government, Educational Department.

Order—No. 228, Educational, dated 26th February 1915.

The Government approve the proposal of the Director of Public Instruction to employ the temporary Tamil pandit on Rs. 30 per mensem sanctioned in G.O. No. 1207, Educational, dated the 29th October 1914, for the incomplete secondary school for Muhammadans in Georgetown, with effect from the 1st March 1915.

2. Sanction is also accorded to the employment, with effect from the same date, of a combined drill and drawing master on Rs. 30 per mensem in the school. He will not be eligible for grain compensation allowance. This sanction has been registered as No. 12 of 1915-16.

3.—The cost will be met from the recurring grant of Rs. 30,000 sanctioned by the Government of India for the improvement of Muhammadan education.

NOTES CONNECTED WITH G.O. No. 228, EDUCATIONAL, DATED
THE 26TH FEBRUARY 1915.

[SUBJECT.—*Revision of establishment of the incomplete secondary school, Georgetown.*]

From the Director of Public Instruction.

The Director's proposals may, it is submitted, be approved. The cost of Rs. 720 entailed by these proposals has been included in his proposals for the utilization of the recurring Imperial grant of Rs. 30,000 for the improvement of Muhammadan education, which are separately under examination.

Please compare the pay sanctioned for combined drawing and drill master for the Government Training school, Berhampur—G.O. No. 825, Educational, the dated 14th July 1914.

2. The pay of Rs. 30 for the combined duties of drill and drawing master seems reasonable. The appointment is apparently to be permanent.

3. A draft order is submitted for approval. If approved, it may be forwarded to the Financial Department for acceptance.
