Station Madras, Dated the 30th December, 1914

From (Name) K.T.B. Tressler Esq.,

(Designation) Acting Director of Industries,

To The Secretary to Government,
Educational Department.

Sir,

I have the honour to submit herewith a statement showing the names of the members of the staff of the Madura Technical Institute whom I wish to confirm in the appointments noted against their names. Their ages are shown in column 3 and the initial pay they are to draw according to the new scale sanctioned in G.O. No.1191 Edl./22-10-1914 is shown in column 9. I request that they may be exempted from the age bar under article 51 of the C.S.R. in view of the service they have already put in.

2 N. Ramaswami Ayyar, the Head Clerk, has put in 20 years' pensionable superior service and has had no promotion since 20-8-'06 from which date he has been drawing a monthly salary of Rs.40/-. I therefore recommend

that he may be allowed to draw the maximum pay of
the post under the revised scale (Viz.) Rs.50/-
from the date of the Government Order.

I have the honour to be,

Sir,

Your most obedient servant,

Ag. Director of Industries.

The ACCOUNTANT-GENERAL, MADRAS,

To

THE SECRETARY TO THE GOVERNMENT OF MADRAS,

Educational Department.

SIR,

I have the honour to acknowledge receipt of your endorsement No. 4071-1 Ed, dated 15th January 1915 forwarding for remarks, the proposals of the Director of Industries conveyed in his letter No. C 4071 Ed1, dated 30th December 1914 in which he asks (1) that certain members of the staff of the Madura Technical Institute be exempted from the age bar on their confirmation in their respective appointments as required by Article 51 of the Civil Service Regulations and (2) that the maximum pay of the progressive appointment may be granted to N. Ramaswami Ayyar in advance of the due date.

2. In reply I beg to state that there is no audit objection to the former proposal being sanctioned by Government under Article 51 Civil Service Regulations, so far as the staff in superior service is concerned.

3. In this connection a reference is invited to the provision of article 370 Civil Service Regulations. If the officials in question were within the prescribed age when they first entered the temporary service it is now intended to make permanent, the need for exempting them from the age bar on confirmation in these permanent appointments would not arise, as under the rule quoted their services would qualify retrospectively. As regards the menial service a reference is invited to the ruling on page 9 of the Madras Supplement to the Civil Service Regulations under Article 51 under which the age rule for admission into Government service does not extend to them.

4. With reference to the ruling on page 35 of the Madras Supplement to the Civil Service Regulations, under Articles 156 to 157, Government is competent to fix the initial pay in the case of appointments on progressive pay.

I have the honour to be,

Sir,

Your most obedient servant,

J. P. Macey
Asstt. Accountant-General.

SUBJECT.

Regarding the pay + prospects
of certain employees in the Madras
Technical Institute.

There are two questions dealt with
in Mr. Trevellick's letter in the current file
viz, (i) the exemption of certain men
from the age rule &
(ii) the grant of maximum pay
in advance of due date to
N. Ramaswami, the head clerk
of the Madras Technical Institute.

2. The first question is governed by
article 51 of the C.S.R. Under that
article heads of departments can
sanction exemption from the age rule.
Since Mr. Trevellick wrote his letter
in the current file, he has been
declared by the Govt. to be a 'head
of department'. He may therefore
now be informed that he can himself
exempt the persons from the age rule.

3. As regards the second question viz, the grant of maximum pay to N. Rama Swami ayyar in advance of ~~date~~ due date, it is submitted that under Article 15 B(a) of the C.S.R. ~~as per~~ ^{such} a proposal should be scrutinized with special jealousy. Mr Dresser points out that the man ~~has~~ put in twenty years' service + that he has been drawing Rs 40 without promotion from the year 1906. When recommending the adoption of the ~~present~~ ^{new} scale viz, Rs 35- 2 1/2 - 50 for the post of head clerk, Mr Dresser however, specifically noted that the present incumbent would draw Rs 40 to begin with in the new scale. In the circumstances now brought to notice by him, it is for consideration whether, as a special case, the proposal may be approved. The remarks of the Financial Dept may be obtained as.

I suggest that it would be wise to let him start on Rs 42 1/2. That gives him some increase & prevent him asking for personal allowance or Police pay for another 4 years at all events.

It is for consideration whether the suggestion of Financial that the head clerk should be started on Rs 42 1/2 may be accepted. Subject to approval a draft order is submitted below. If Mr. Trevelyan considers this inadequate he will surely address me.

At the same time we have better not reopen the matter if we can't help it. Yours
