Station M a d r a s , Dated the 15th March 1915.

From (Name) The Hon. Mr. J. H. Stone, M.A., C.I.E., F.R.H.S.
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

I have the honour to submit the following proposals for the utilization on non-recurring objects, during the current year, of a major portion of the recurring grant of Rs. 30,000/- provided in the Revised Budget Estimates for 1914-1915, for the improvement of Muhammadan Education :

1. Equipment of Government Muhammadan Secondary Schools.

- (a) Government Madrasa-i-Azam Rs. 820/-
- (b) Government Muhammadan Secondary School, Georgetown. Rs. 1,108/-

2/3
2. Advance payment of the building grant sanctioned in G.O. No. 191 Edl., dated 19th February 1915 for the Islamiah Secondary School, Vaniyambadi

Rs. 17,500/-

3. (a) Subsidy to the Negapatam Municipality for the construction of a building for the Muhammadan Girls' School, Negapatam

Rs. 9,000/-

(b) Subsidy for the equipment of the above school

Rs. 600/-

(c) Do. for the new Muhammadan Girls' School, Nagore

Rs. 600/-

Rs. 29,628/-

2. The Government Muhammadan Schools in Madras are in great need of additional equipment and I have taken the liberty of authorizing them to proceed with the purchase of the necessary furniture, apparatus, etc., in anticipation of Government's approval of this proposal.

An advance payment of the grant of Rs. 17,500/- to the Vaniyambadi School for the erection of new buildings appears to be a most suitable way of utilizing this Imperial grant; it will relieve a possible congestion of applications for payment of grants for buildings completed or under construction next year and for which it is doubtful whether full budget provision has been proposed unless all advance payments are to be refused.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

OFFICE NOTE.

SUBJECT. Utilization of the recurring grant of Rs 30,000 for Muhammadan education for 1914-15 on non-recurring objects.

C.F.

The Financial Deptt has already refused to re-
-allot in the C.F.S. for 1915-16 any unspent portion
of the recurring Imperial grant of Rs 30,000 for
the improvement of Muhammadan education
provided for in the budget estimate for 1914-15.

The Director's proposal to spend a major portion
of the grant on non-recurring objects connected
with the improvement of Muhammadan education
is unobjectionable and may, if submitted,
be approved.

2. Item 1. The Director is apparently satisfied with the
purpose for which an expenditure of Rs 820 is pro-
-posed for the Madrasa-i-Azham and that of Rs
1,108 for the incomplete Secondary School,
Georgetown. The latter was established only
last year. It was then estimated that the fur-
-niture and apparatus for the school would
cost Rs 1,500. It is not known whether this expense
has

has already been incurred and whether the proposed expenditure is in addition to it. In all probability, it is. Submitted that the proposal may be approved.

- ④ Item 2. In Gono. 105 Etdy 15-2-15, the Govt. have decided not to defer payment of the building grant promised for the Islamiah Secondary School, Vaniambad. In the no. note on page 9 of that G.O. the Director stated that if the P.W.D. would speedily dispose of their plans and estimates the amount might be paid in advance this year out of the Rs 30,000 special India grant for Muhammadan education. The P.W.D. has since disposed of the plans and estimates and a grant of Rs 17,500 has been sanctioned in Gono. 191 Etdy 19-2-15. The proposal to meet this grant from the Rs 30,000 may therefore be accepted.

- ⑤ Item 3. With regard to the two Muhammadan girls' schools at Negapatnam and Nagore, attention is solicited to the correspondence on pages 3 & 4. Gono 1027 Etdy the 31-8-14. As then estimated, the cost of the site for each was Rs 1,500 and that of a building Rs 4,000 or Rs 5,500 for each school. Apparently a further examination has proved that the original estimate was too low and that Rs 9,000 would be required for each. The Director's proposal to pay subsidy of Rs 9,000 for a building for the Negapatnam school may therefore be accepted. For similar reason, the proposed subsidy of Rs 6,000 for equipment of each of the two schools may also be accepted.

accepted.

3. A draft order is submitted below for approval. If approved, it may be sent to the Financial Dept. U.S. for acceptance.
