To The Secretary to the Government of Madras,

EDUCATIONAL Department.

Sir,

In their order No. 186 Mis. Educational, dated 13th February 1914, Government sanctioned the employment for a period of one year of an additional teacher on Rs. 30/- per mensem in the Government Girls' School, Valavanur. The additional teacher having been entertained on the 1st March 1914, the above sanction expired on the 28th ultimo. The Inspectress of Girls' Schools, Central Circle, proposes the permanent retention of the additional teacher on the ground that the strength and average attendance of the school have been steadily maintained. From the statistics furnished by Miss Lynch, I notice, however, that the appointment of the additional teacher has not resulted in any increase in the

strength of the higher standards maintained their normal
strength. I therefore consider that the experiment may be
given a further trial and I have accordingly the honour to
request that Government will be pleased to sanction the con-
tinuance of the additional post in question for another year
from the 1st instant.

Civil Budget Estimates for the year 1915-1916.
