SENATE HOUSE, 10 FEB 1915

Enclosures.

FROM

FRANCIS DEWSBURY, Esq., B.A., LL.B.,

Registrar, University of Madras,

To

The Secretary to Government

Educational Department.

Sir,

I have the honour to invite your attention to the Regulations for the institution of an examination for Titles in Oriental Learning sanctioned by the Government in G.O.No.170-Educational dated the 30th March 1910. Experience having shown that these Regulations require revision in many respects, the Syndicate has appointed a representative Committee of ten experts to reconsider and report on the Regulations, particularly whether it is desirable or practicable:-

(a) to lay down any and what standard of qualifications for appearance at the Examination under Regulation 351,

(b) to reduce the number of, and the standard of efficiency in, the subjects prescribed for the Titles of Siromani and Vidwan.,

(c) to shorten or extend the course of studies prescribed for the Examinations for the above Titles,

(d) to modify Regulation 353 so as to secure a competent knowledge of English on the part of the candidates without the necessity for their passing the English Division of the Matriculation Examination,

and to suggest means for reducing the cost of the Examinations for Oriental Titles.

Some members of this Committee are mofussil residents,

na

and have, therefore, to incur travelling expenses when attending meetings of the Committee which will be held in Madras. The Syndicate has resolved that these mofussil members, some of whom are also members of Boards of Studies, should be paid travelling allowances at the rates sanctioned by Government for members of Boards of Studies, and I am directed to request that the Government will be pleased to accord its sanction to the payment of these travelling allowances from the Government Contribution Account as in the case of such allowances paid to members of Boards of Studies.

I have the honour to be

It is proposed to sanction the payment of travelling expenses to the members of the Committee appointed to consider and report on the modifications required in the regulations relating to the examination for titles in Oriental learning, out of the grant of .20 lakh paid to the University in the current year. This Govt grant is intended for the purpose of meeting the charges connected with the travelling expenses of "Fellows" on University business. It is presumed that the members of the Committee referred to in the present draft order are all "Fellows" of the University. Subject to this understanding, the draft may be accepted.

2. With regard to the Financial Dept's objection to the payment of travelling allowances to the members of the Committee than Fellows, it is seen that, though the Govt. of India's letter printed 29 sold, the 15-1-06, mentioning ^{travelling expenses of} "Fellows", not appears to have been the intention of the Govt. to exclude altogether other persons

are engaged on equally important business of the University. Ordinarily the business of the University is conducted by Fellows and there was therefore ^{no} need for the Govt. of India to provide specifically for such unusual cases as the present one. This view is

④ Few Fellows are competent to do the work which requires expert knowledge.

also supported by the last sentence of para. 4 of

⑤ India's letter on page 3 of that G.O., in which ^{Govt} stated that any portion of the grant which might be found in excess of what is required for expenditure on the inspection of colleges, the strengthening of the administration of the University and the travelling expenses of Fellows on University business, might be expended on other University purposes.

A

~~It~~ would seem, therefore, ^{that there is no objection} to permitting the University to pay the travelling expenses of the members of the Committee in question irrespective of the fact that some of them are not Fellows, ^{provided the total expenditure does not exceed the grant of Rs. 20 lakh sanctioned by the Govt.}

3. In the circumstances, ^{set forth above,} financial may be requested to state whether it is prepared to withdraw the objection and accept the draft order.

Yes. The previous notes in Education seems to imply that the travelling expenses of Fellows only were intended to be met from the grant, and of no others, when employed on the affairs of the University.
