GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 23rd October 1914.

No.—Ref. on Cur. 2080.

I have the honour to submit an application for building grants together with the plans (bearing this office Nos. 171 and 172) and estimates received from the Correspondent, S.P.G. girls' higher elementary school, Nandyal, Kurnool district. The works proposed are :—

	Estimated cost.
(1) Construction of a boarding house	Rs. 18,775
(2) „ of a school house	13,328

2. As regards the boarding house, the Correspondent says that the Management is unable to contribute more than Rs. 7,000 and requests that the balance, viz., Rs. 11,775 may be paid as grant. I beg to recommend that the request may be granted.

As regards the school house, I recommend that a half grant not exceeding Rs. 6,664 may be sanctioned.

3. The grants, if sanctioned, may be paid when funds become available. The grant for the boarding house will be met from the provision for "hostels" and that for the school house from the provision for "grants for school buildings."

4. Only one copy of the estimate relating to the boarding house has been received from the Correspondent. Another copy will be obtained and submitted.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 20th November 1914.

No.—Ref. on Cur. 2080.

With reference to paragraph 4 of my letter R.C. No. 2080, dated 23rd October 1914, I have the honour to submit herewith a copy of the estimate relating to the boarding house in connection with the S.P.G. girls' higher elementary school, Nandyal.

III

Note by the Chief Engineer, Public Works Department, No. 341-C., dated 16th January 1915.

The Director of Public Instruction submits for sanction, through the Educational Department, plans and estimates amounting to Rs. 32,103, as detailed below, for constructing a girls' higher elementary school and a boarding house for the S.P.G. Mission at Nandyal, Kurnool district :—

	Rs.
(1) School house	13,328
(2) Boarding house	18,775
Total	32,103

II. The plans and estimates have been scrutinized in the Chief Engineer's office and the sizes of the joists and some of the rolled steel girders have been altered as figured on the plans and estimates. A minimum thickness of 3 inches has been adopted for the joists in order to give better support to the slabs resting on them.

III. The estimate provides for only 3,341 cubic feet of coursed rubble in mortar in the superstructure for the school house side rooms, whereas the actual requirements amount to 6,682 cubic feet. The estimate has, therefore, been altered and the extra cost of Rs. 780 added to the total.

IV. The north walls of the rear class rooms have large unprotected openings and these rooms are exposed to the north-east monsoon rains. It is recommended that verandahs be provided from the provision of unforeseen work.

V. The floor consists of 2 inches Cuddapah slabs over 4 inches of concrete pointed with cement. The concrete may be omitted and 6 inches of sand provided instead.

VI. Lump sum provision of Rs. 1,614 is made for latrine but no plans have been submitted.

VII. In the last two paragraphs of the report reference is made to shelves in the boarding house but there is no provision for these in the estimate. The cost can be met from savings in the floors by substituting sand for concrete.

VIII. The Superintending Engineer should satisfy himself that the foundations provided are suitable.

IX. The estimates, as corrected in the Chief Engineer's office, amounting to Rs. 33,830, are recommended for sanction.

S. B. MURRAY,
Chief Engineer, P.W.D.

Order—No. 274, Educational, dated 12th March 1915.

The Government are pleased to sanction a grant not exceeding one-half of the actual expenditure, nor Rs. 7,065, towards the cost of constructing a building for the S.P.G. girls' higher elementary school, Nandyal, and a grant not exceeding Rs. 12,700 towards the cost of constructing a building for the boarding house attached to the school, subject to the following conditions :—

(1) that, in carrying out the works, the suggestions of the Chief Engineer in his note read above are adopted; and

(2) that all the conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

NOTES CONNECTED WITH G.O. No. 274, EDUCATIONAL,
DATED THE 12TH MARCH 1915.

[SUBJECT.—*Building grants on behalf of S.P.G. Girls' Higher Elementary school, Nandyal.*]

From the Director of Public Instruction, No. 2080, dated the 23rd October 1914.

Submitted that the plans and estimates may first be forwarded to the Public Works Department for scrutiny.

PUBLIC WORKS DEPARTMENT.

Note by the Chief Engineer, Public Works Department, No. 341-C., dated the 16th January 1915.

The plans and estimates have been scrutinized in the office of the Chief Engineer, and his remarks are contained in his note read above. The estimate as corrected by the Chief Engineer amounts to Rs. 33,830 and it is recommended for sanction. With these remarks the file may be returned to Educational.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

From the Director of Public Instruction, No. 2080/14, dated the 20th November 1914.

Submitted that the current may be forwarded to the Public Works Department in continuation of Educational u.o. No. 3276-1, dated the 5th November 1914.

K. RAMA AYYAR—30-11-14.

T. KRISHNASWAMI AYYAR—30-11-14.

E. A. HARVEY—2-12-14.

The estimates as approved by the Public Works Department amount to Rupees 33,830, which relates to two items, viz., school-house (Rs. 14,130) and boarding-house (Rs. 19,700). As the management of the school is unable to contribute more than Rs. 7,000 for the boarding-house, the Director of Public Instruction recommends the grant of the balance which now amounts to Rs. 12,700. As regards the school-house, the Director recommends the usual half-grant.

2. This is one of the cases in which it has been decided that sanction for the building grant should not be deferred. Before issuing orders it has to be decided whether for the boarding-house more than the usual half-grant should be given.

With reference to the notes with G.O. No. 1193, Educational, dated 23rd October 1914, the Director of Public Instruction may, it is submitted, be consulted whether it is necessary that more than a half-grant should be given for the boarding-house.

B. GOPALACHARI—17-2-15.

T. KRISHNASWAMI AYYAR—17-2-15.

In view to the large demands on us, I would rather enforce the half-grant rule and refuse more than half in the case of the hostel.

P. RAJAGOPALA ACHARIYAR—18-2-15.

To the Director of Public Instruction.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

U.O. No 59, dated the 22nd February 1915.

This application was recommended before the change of policy as regards exceptional treatment of hostel grants. There are two other applications pending in which similar concessions have been recommended, viz., for the S.P.G. College, Trichinopoly, and the Ottapalem High school. In all these cases the managers have declared their inability to furnish more than a certain sum. If the concessions are not granted, the execution of the scheme will almost certainly be delayed even if none of them are abandoned. Even if these concession grants are sanctioned, there

* 1.46 lakhs (page 147, Civil Budget Estimate).
is no probability that the demands for hostel grants will exceed the provision * for them in the budget for 1915-16.

The point is, I think, whether in view of the great desirability of developing the hostel system special terms may not properly be allowed to managers willing to provide money for the purpose. Sir A. G. Bourne thought it might and I agree with him.

To the Financial Department.

FINANCIAL DEPARTMENT.

It is proposed to sanction a total grant of Rs. 19,765 towards the construction of certain buildings for the S.P.G. girls' higher elementary school, Nandyal, Kurnool district.

	Total cost.	Grant proposed.
	RS.	RS.
(1) School-house	14,130	7,065
(2) Boarding-house	19,700	12,700
	33,830	19,765

2. Item (1).—The grant proposed is one-half of the total cost. There is a budget provision of 1 lakh for "building grants" in the budget estimate for 1915-16 (page 147, Civil Budget Estimate).

Item (2).—The grant is more than one-half of the total cost as the management is unable to contribute more than Rs. 7,000. Attention is solicited to the notes in G.O. No. 1193, Educational, dated the 23rd October 1914, regarding the desirability of discouraging applications for grants in excess of the prescribed minimum. The

May be accepted.

B. LAVILLE—1-3-15.

A grant proposed in the present file may perhaps be sanctioned as a special case for the reasons given by

the Director of Public Instruction in his notes above. There is a provision of 1.46 lakhs for hostels in the budget estimate for 1915-16.

3. The draft order put up by the Educational department may, it is submitted, be accepted, subject to the remark that an addition may be made with reference to A above, viz., that the grant for item (2) is given as a special case.

V. GOPALAKRISHNA AYYAR—28-2-15.

B. LAVILLE—1-3-15.

I do not understand the Director's remark about a change of policy as regards hostel grants. It has surely always been the rule that the Government grant shall not exceed one-half and that the Director has to justify any excess by special reasons. If that is so, the question here is whether the Director has given adequate reasons for a grant in excess of the moiety in the case of the boarding-house. The S.P.G. is not, I believe, a poor mission and it is open to question whether it should not be required to find half the funds.

Honourable Member, Financial, should see.

A. BUTTERWORTH—2-3-15.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

In the linked file relating to the grant for the construction of a hostel for the S.P.G. College, Trichinopoly, the Director of Public Instruction has stated that in that case, as well as in the case of the S.P.G. Girls' school, Nandyal, referred to in the present file, and the hostel at Ottapalem (file now with Public Works Department) he has, relying on the policy of the Government enunciated in G.O. No. 448, Educational, dated the 15th May 1913, held out definite prospects of favourable terms to the managers of the institutions concerned. In these circumstances, and in view of the statement of the Director that the hostel allotment for next year, which stands at Rs. 1.46 lakhs, has practically no immediate liabilities, his proposals to contribute more than the usual half-grant may be accepted as a special case.

T. KRISHNASWAMI AYYAR—6-3-15.

His Excellency the Governor—

Honourable Member (Financial)—

I understand that the Director of Public Instruction has practically committed himself in these cases. I would sanction the proposals.
