G.O. No. 17 of 22.1.15

All I have heard about the proposed acquisition is that the Vondras College authorities were in hewer pressing for voluntary sale of the land and would appeal to Government for an application of the land acquisition act only if it is absolutely necessary. I am waiting to plan and estimates to deal further with the hostel from which I have promised to recommend and if they ask for acquisition under the act I see no reason why I should not recommend this also.
