From (Name) The Hon. Mr. J. H. Stone, M.A., F.R.H.S., C.I.E.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

Per 136 C.P.S.

A sum of Rs.17,000/- was provided in the current
year's budget for the supply of apparatus to physics classes
in the Government College, Kumbakonam. Indents for the re-
quired apparatus which were called for from the Principal
were received late in the year and as is usual in such cases
they were forwarded for scrutiny to the respective professors
of the Presidency College who suggested certain alterations
therein. The Principal, Kumbakonam College, was accordingly
asked to submit revised indents which were received only

Sa

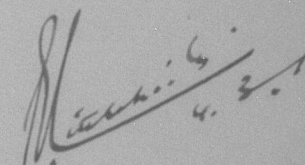

recently. The total cost according to the revised indents comes to Rs.17,011 and there is no possibility of obtaining the article before the close of the current year. In these circumstances, I have the honour to request that you will be good enough to include in the Budget Estimate for 1915-16 a provision of Rs.17,000 for the purpose.

2. I was not able to make this application earlier as I did not think it advisable to recommend an approximate amount for inclusion in the budget. I regret the delay.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.

Of this Rs. 6855 is required for the installation of electric plant and fittings in connection with College. The balance of Rs. 10,145 will lapse, as the D.P.I. now reports that there is no possibility of obtaining the apparatus before the close of the current year. This amount may be surrendered.

2. The Director requests that ~~the~~ a provision Rs. 17,000 may be made in the ensuing year's budget for the purchase of the apparatus. With reference to portion B on page 1
ante, it is submitted that it is now too late
to include the small provision (Rs 17,000)
in the budget for next year under the head
"22 - Education".

2. In the current letter, the Director of Public
Instruction explains that he did not make this
application earlier as he did not think it
advisable to recommend an approximate
amount for inclusion in the budget. Looking
to the fact that the amount involved is
comparatively small, it would have been
convenient to all concerned if the Director
had submitted the present communication
earlier to Govt giving an approximate figure
which would, of course, have not differed
very much from the present estimate of
Rs 17,000. In the present circumstances, the
Director will have to be informed that he
should submit a reappropriation statement
to meet the charge within the total budget
grant for next year already fixed by Govt
under "22. Education".
