Madras, 3rd March 1915.

The Hon'ble Mr. Justice Sankaran Nair, Kt.,
C.I.E.,
President, The Depressed Classes
Mission Society.

To

The Chief Secretary to the Government of
Madras.

Hon'ble Sir,

I enclose a letter received from Mr. N. Ram
Doss, Diamond Merchant, Madras, dated the 25th instant.
He has paid me Rs.2500 which I have deposited in the
Madras Bank in the name of the Depressed Classes Mission.
He is under the impression that the Government will
contribute half the building fund. We are now main-
taining a school at Vyasarpady. But it is absolutely
necessary that we should erect a substantial building.
I have to return the amount in case the Government is
not willing to contribute the other half of the cost.

I have the honour to be,

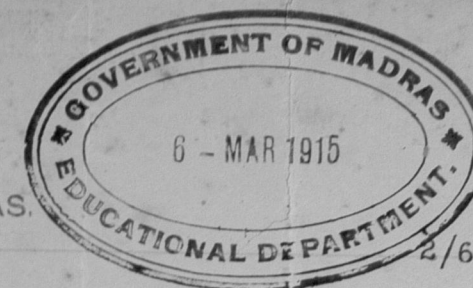

Hon'ble Sir,

Your most obedient servant,

Sankaran Nair
President.

Register No. 856

The President of the Depressed Classes Mission Society apparently wishes to know whether the Government will give a half grant towards the cost of constructing a building for a school for the depressed classes, as otherwise he will have to return the amount of Rs.2,500 contributed by Mr. Ram Das, a diamond merchant of Madras. Applications for building grants should be submitted through the Inspector to the Director of Public Instruction. The Director is himself competent to sanction grants not exceeding Rs.2,500, but if the grant to be sanctioned exceeds this amount, the Director will forward the application to the Government with his own recommendations. In the present case the estimated cost of the building will amount to Rs.6,000/- and the sanction of Government will therefore be required for a grant of
