Examining the replies so far received, it is found that the Collector of Coimbatore alone gives ~~some particulars.~~ The Madras, Malabar & Tinnevelly Collectors state that there is no need for the articles referred to. The Madura Collector states that the mills require urgently Alizarine paste for Turkey red dyeing, Sulphate of alumina Turkey red oil & Marseilles Soap. Information about dyestuffs is not wanted. Alizarine paste & Turkey red oil may, therefore, be omitted. Information about the probable quantities needed of Sulphate of alumina & Marseilles Soap may perhaps be called for.
