Sir,

I have the honor to represent that
the need for an extension of the Municipal
High School buildings here for the accommo-
-dation of IV, V and VI forms, the opening
of which has been recently sanctioned & &
is keenly felt (the strength of the recently opened
said forms being even now 104). The Inspector
of schools, I Circle, Waltair, has also been
urging the necessity of the extension.

The Council therefore got Plan and Estimate prepared and forwarded the same to the Superintending Engineer for approval and he returned it with his approval with his letter no: 2912 El dated 2.11.14 enclosed.

The Council at its meeting held on the 11th December 14 sanctioned the Plan and Estimate and resolved to approach the Government with a request for a grant to cover the whole cost of the extension.

The Government has been pleased to grant to this Municipality a loan amounting to Rs 18,000/- for a general market and for a Survey of the town respectively vide G.O.

no: 2074 M dated 26th October 1914

And 2430 M dated 7th December 1914.

Further the Government has also been pleased to promise of a loan of Rs 16000/- for a new hospital building under certain conditions vide G.O. no. 1912 M dated 31.10.1914. The Council has therefore to provide year after year for 5 years funds for the repayment of the said loans.

The Council therefore begs to request that Government will be pleased to sanction a building grant to cover the whole cost of Rs 10,000/- for the said extension.

A Copy of the Council's Resolutions VIII dated 11.12.14 and the Plan and Estimate for the extension of the same are enclosed.
