From (Name) The Hon Mr. J.H. Stone, M.A., C.I.E., C.R.H.S.

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

The Inspectress of Girls' Schools, Central Circle,
brings to my notice that in the absence of reliable inform-
ation regarding the present European War the minds of the
Women teachers of the Government Hobart Training School,
Madras, are likely to get prejudiced and that wrong and
harmful views are likely to be disseminated through the
Zenana in girls' schools and she consequently recommends
the supply of certain Magazines which in her opinion will
be useful to them in this connection. I have the honour,

therefore, to request that Government will be pleased to
issue orders for the supply of a copy each of the under-
mentioned periodicals to this school with effect from 1
January 1915.

(1) The Near East.

(2) The Times of India-Illustrated Weekly.

I may add that even apart from the special reason
by the Inspectress, I think that an institution of such
importance as the Hobart School is quite entitled to a supply
of English periodicals.

I have the honour to be,

Sir,

Your most obedient servant,

Ch. J. ...
