With reference to para 7 of G.O. Nos. 93 and 94 Edl.,

dated 29th January 1915, I have the honour to state that the Trichinopoly Edward Technical Institute which returned 501 students under Civil Engineering subjects during the year 1912-13 furnished no return for the year 1913-14 in spite of frequent reminders. The school being an unaided and unrecognized one, the Department has no control over it. This accounts for the large decrease noticed by Government.

I have the honour to be,
Sir,
Your most obedient servant,

[Signature]

for Director of Public Instruction.
