NOTES.

OFFICE NOTE.

SUBJECT: Payment of grant of Rs 3,932 to the
Palni municipality towards the constructing
new elementary school buildings

From the D.I. no 2301 of 24.3.15

Register No. 1149.

In submitting proposals for the distribution
of the provision made in the current year for
the payment of grants to local bodies for
elementary school buildings the D.I. classified
the objects into the three following heads:—
(i) Completion of buildings already begun,
(ii) improvements and repairs to existing buildings
and (iii) new buildings.

The amount noted for Palni was shown under
the last head. Mainly in view of the present
financial position, it was decided not to
allot any grant for new buildings. Accordingly
the provision for Palni was omitted.

2. It appears now too late to ask financial
to allot the necessary amount ^{in the current year} from their
reserve. It is submitted that ~~the same~~ ^{it} may
be sufficient to make arrangements ~~for the payment~~
~~early in 1915-16 by transfer from the provision under~~
subsidies to local bodies, to the Civil works. The draft over below

In G.O. No 165 EX: D
20-2-13 a grant of Rs 4200 was sanctioned for the con-

struction of an elementary school building at Palur. In G.O. No 420 EX: D 8-5-13 a further grant of Rs 6100 was sanctioned for the same object. These two grants aggregating Rs 10300 which includes Rs 2000/- for a site, have already been paid to the Palur Municipal Council. In G.O. No 243 EX: D 2-3-14 the Govt. sanctioned an addl. grant of Rs 3932 to cover the cost of the site which ^{was} reported to amount to Rs 5932/- against Rs 2000/- originally estimated, and it is this amount which it is proposed to pay ^{now} to the

Municipal Council. Although therefore the grant relates to a new building and was not paid last year owing to the objection taken in June: to payments of grants for new buildings, it nevertheless seems desirable to disburse the sum of Rs 3932/- in 1915-16 in view of the fact that the bulk of the grant for the building in the present case has already been paid to the Municipality and the whole grant cannot very well be withheld at this stage. The may accordingly agree to the action proposed by Education subject to the remarks in the office note above.
