(Through the Accountant - General).
Sir,

In my letter R. C. No. 6181 of 1913, dated 29th September last, submitting, in connection with the modified scheme for the establishment of Model Secondary Schools, proposals for the revision of staff of the Government College, Mangalore, the sanction of Government has been sought among other things for the employment in that institution of an additional assistant on the ground that the University Inspection Commission urged the appointment of an assistant in Chemistry on the completion of the new laboratory buildings

when it would be possible to form a class under Group I of the Intermediate Course of 32 students which might be divided into two sections of 16 each, one of them doing practical Physics in one laboratory while the other was working at Chemistry in the other. For the above reasons and in view of the fact that incessant care was to be bestowed especially owing to the dampness of the climate of Mangalore on the scientific apparatus which have of late been largely added to provision has also been made in the proposition statement forming an enclosure to my letter referred to above for the entertainment of two laboratory attenders on Rs. 12/- each per mensem in place of the existing laboratory peon on Rs. 9/-. Now that the additional science buildings are about to be completed, the Principal is anxious that the question of adding to the present teaching and menial staff as detailed in the margin

that Government will be pleased to sanction the employment in the Government College, Mangalore, for a period of nine months from the 1st June 1915, or until the introduction, if earlier, of the modified scheme for the establishment of Model Secondary Schools, of a temporary demonstrator on Rs. 50/- per mensem, and a temporary attender on Rs. 12/- per mensem without claim for grain compensation allowance.

2. The extra expenditure which the above proposals will entail will amount to Rs. 558/- and I beg to request that the necessary provision may be inserted in the Civil Budget Estimates for the ensuing official year which is now before Government. If, however, this is not feasible, I shall submit a re-appropriation statement for meeting the charge on receipt of the Civil Budget Estimates for that year.

I have the honour to be,

ENCLOSURES :

Two

1. F O R W A R D E D.
2. The present sanctioned scale of the staff of the Government College, Mangalore noted herein agrees with the audit Registers of this office, except that the pay of the Junior Pundit is shown as Rs.30-2/2-40 in the present reference whereas in the audit register it is noted as Rs.40-2/2-50.
3. There is no audit objection to Government sanctioning the employment of a temporary demonstrator and an attender as proposed by the Director of Public Instruction.
4. If the proposal is sanctioned the necessary provision may be made in the estimates of next year by increasing correspondingly the amount deducted for "probable savings" and thus leaving unimpaired the total under the minor head concerned.

OFFICE NOTE.

SUBJECT, Employment of a temporary demonstrator
 nRs. 50 per mensem and a temporary attender
 nRs. 12 in the Govt. College, Mangalore

From The D.D. no 6013 of 26.2.15

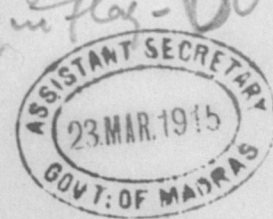

Register No. 991 Sol

The employment of the temporary establishment may be sanctioned. It is presumed that the necessary provision can be made in the budget estimate for the ensuing year.

2. A draft order is submitted for approval. Paragraph 2 has to be accepted in Financial.

3. It is submitted that ~~the~~ the 19.3.15 revised scheme, which includes provision for the additional staff, has already been accepted by Financial. The file relating to it is shortly to be circulated and is being printed up in the meanwhile.

The extra expenditure which will fall due in 1915-16 is Rs 558 as shown below:—

Temporary	Cost per Rs.
1 Demonstrator (50)	50
1 Laboratory attendant } on Rs 12 without g.c.a. }	12
	<u>Rs 62 per</u>

Cost for 9 months = Rs 558.

It is apparently not desirable to postpone the expenditure to 1916-17. If so, the draft may, it is subd, be accepted in Financial. On receipt of a copy of the Educational dept. proceedings, the Acct. Genl. may be asked to include the necessary provision (Rs 558) in the final edition of the C.P.E. for 1915-16 under the head "22-C Education - Govt. Colleges, General" and to increase correspondingly the amount deducted for probable savings so that the total under the minor head may remain unaffected.
