Sir,

(E)
(U)

As the sanction accorded in G. O. Nos. 403 Mis.Edl., dated 9th April 1914 and 419 Edl. Mis., dated 11th April 1914 to the retention of the additional teachers on Rs. 15 and Rs. 30 per mensem respectively employed in the Government Girls' School, Cuddalore, expires on the 31st March 1915, I have the honour to request that you will be so good as to obtain the sanction of Government for the continuance of the above posts for another year from the 1st April next. The Inspectress of Girls' Schools, Central Circle, considers their retention to be very necessary in view of the increase in numbers.

2. Miss Lynch also states that since the last addition

to the staff sanctioned in G. O. No. 932 Mis. Edl., dated 10th October 1913, the strength of the school which has the Vll --- standards as the highest has increased from 225 to 271 as detailed in the margin. Having regard to the fact that the present

[From the statistics furnished by the Inspectress, it will be noticed that, while the strength of standards II to Vll has fluctuated little, there has been an increase in the number on the rolls of the Infant and 1st standards and this necessitates the employment of at least an additional teacher. To my mind, it appears, that what is wanted in all the overgrown girls' schools is a thoroughly good teacher to be in charge of the --- Infants with one or more assistants according to strength. Miss Lynch, whom I have consulted on the matter, acquiesces in this view and has agreed to try the experiment in the event of a competent trained woman teacher being appointed as the head teacher of the Infants. Since the services of such a teacher cannot be had for anything less than Rs. 25, I beg to request that Government will be pleased to sanction the entertainment for a period of one year with effect from the 1st instant of a third temporary assistant on the above rate of pay in the Government Girls' School, Cuddalore.]

Estimate for the ensuing year. The expenditure on account of the 3rd temporary teacher will amount of Rs. 300/- during 1915-16 and I request that the necessary provision may be inserted in the Civil Budget Estimate for that year. If however, this is not feasible, I shall submit a reappropriation statement for the sanction of Government on receipt of the Civil Budget Estimate for that year.

I have the honour to be,

Sir,

OFFICE NOTE.

SUBJECT.

Retention of two temporary teachers on Rs.30 and Rs.15 per mensem and the employment of a third temporary teacher on Rs.25 per mensem in the Government Girls' School, Cuddalore.

From

The D.P.I., R.O.C.No.11149-A/14,d/the 1--3-1915.

Register No. 899

The Director of Public Instruction's proposals are--

(1) to retain for another year from the 1st April 1915 the two temporary teachers on Rs.30 and Rs.15 per mensem employed in the Government girls' School, Cuddalore, and

(2) to employ an additional temporary teacher on Rs.25 per mensem in the same school for a period of one year from the 1st ~~April~~ ^{March} 1915.

2. The present strength of the school in the various standards and the number of teachers required for them in accordance with rules 81 and 82 of the Educational Rules are noted below:--

M 1 + 2 CF

Standards.	Strength.	No. of teachers required.
VII	5	1 (for teaching and supervision)
VI	4	
V	5	
IV	13	1
III	27	1
II	28	1
I	53	2
Infant	136	4
	271	10

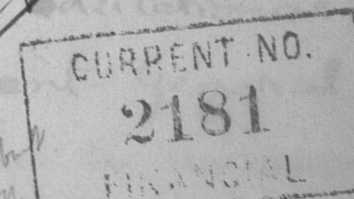

3. At present there are only eight teachers instead of ten required under the rules. The ~~present~~ employment of an additional teacher seems therefore necessary. The salary proposed for this additional teacher is Rs.25 per mensem and the necessity for it is explained in the latter portion of paragraph 2 of the Director's letter. In the circumstances stated the pay proposed seems reasonable and may be sanctioned.

4. A draft order is submitted for approval. It may issue with the concurrence of Financial. The attention of that Department may be drawn to paragraph 3 of the Accountant-General's endorsement.

The proposal in item (1) on page 1 and may, it is submitted, be accepted. Necessary provision exists in the C.B.E. for 1915-16.

2. Item (2) — To the employment of the new teacher is necessitated by an increase in the number on the rolls in the Infant and 1st Standards, the pay of the new teacher should be fixed at Rs 10 ^④ per mensem according to Rules 81 + 82 of the Educational Rules. The pay of Rs 25 has been proposed with a view to trying a new experiment in the matter of education of infants in overgrown girls' schools. Though the cost involved in the present case is ^{small} ~~little~~, it is submitted that, in accordance with the practice adopted at present of postponing all expenditure of a non-urgent character, Educational may be requested to fix the pay of the new teacher at Rs 10 per mensem for the present. On receipt of a copy of Educational proceedings the Accountant-General may be asked to include the necessary

[The question raised is of considerable
importance & there is much to be said in favour
of the Director's view that infants should be
taught by a competent trained teacher on not
less than Rs 25. But 82 indeed observe that the
lower classes need not necessarily be taught by
the teacher on the lower rates but probably it is
rarely possible to spare for infant classes a
teacher on a higher rate of pay than Rs 10 or Rs 12.
I am afraid that Fin. cannot accept the
present Experimental proposal, not because
it objects to the principle, but because the
proposal opens up a general question which
may involve a considerable amount of
expenditure if the principle is carried to its
legitimate conclusion.

I would therefore ask Educ. to adopt the usual
course in this individual case & if necessary
raise & consider separately the general
question.

If Educ. wishes to press the present case, the
Fin. must see.]
