Sir,

Page 2 infra

With reference to your letter no.159, dated the 16th January 1915, I am directed to state that the Government of India approve of the decision of His Excellency the Governor in Council to forego the proposed contributions from all private aided schools and municipal and local board schools which elect to come under the scheme for the medical inspection of school children in the Bombay Presidency and of the introduction of the modified scheme when the financial situation improves.

I have the honour to be,

Sir,

Your most obedient servant,

Sd. H. Sharp,

Joint Secretary to the Government of India.

The Bombay Govt. will  
meet the charge from the  
recurring Imperial grants for  
which that Govt. received  
in the distribution of the  
grants among the several  
provinces

J.B.N.

No. 159, dated the 16th January 1915.

From—J. L. RIEU, I.C.S., Secretary to the Government of Bombay, Education Department,

To—The Joint Secretary to the Government of India, Department of Education.

I am directed to refer to the correspondence ending with the letter from the Government of India, Department of Education (Education), no. 1239, dated the 6th August last, conveying the sanction of the Secretary of State for India to the scheme for the medical inspection of school children in the Bombay Presidency. In view of the orders of the Government of India regarding the curtailment of expenditure, the Bombay Government have decided to postpone the introduction of the scheme for the present. It will be brought into force when the financial situation improves.

2. The scheme was originally intended for Government institutions only and in paragraphs 7 and 8 of my letter no. 2699, dated the 20th September 1913, to the Government of India it was stated that aided high and middle schools throughout the Presidency and municipal and local board high and middle schools in the Southern Division and Sind would also be included in its scope provided that they consented to such inclusion and were prepared to contribute proportionately to the cost. On further enquiry it has been found that a large number of private aided schools will not avail themselves of the benefits of the scheme if they are required to contribute towards its cost, and that if exemption is granted to these schools it cannot, with justice, be withheld from local board and municipal secondary schools. In these circumstances His Excellency the Governor in Council has decided to forego the recovery of the proposed contributions from all private aided schools and municipal and local board schools which elect to come under the scheme. I am to add that steps will be taken to give effect to the scheme with the above modification.
