Station MADRAS., Dated the 27TH MARCH 1915

From (Name) K. T. B. TRESSLER, Esq.,
(Designation) AG. DIRECTOR OF INDUSTRIES.

To The Secretary to the Government of Madras,
EDUCATIONAL Department.

Sir,

I have the honour to inform you that Messrs Siemens Brothers Dynamo Works Ltd., Madras are offering for sale a Shaping Machine at half its original price. The Company say that the Machine has been in their Workshops for about 3 years but has had very little use. Such a machine is to be provided for the Madura Technical Institute under the new scheme and I accordingly request sanction for an amount of Rs. 650/- for the purchase of this machine instead of buying one later at double the price. The expenditure can be met from the allotment under "Tools and Plants" for the

NOTES.

Madura Technical Institute in the next year's Budget.

Provision
Rs. 3000.

I have the honour to be,

Sir,

Your most obedient servant,

[Signature]

Ag. Director of Industries.

SUBJECT.

Purchase of a shaping machine
 for the Madura Technical Institute

Page 26 of
 G.O. 647 Ed-
 18/7/12 (N)

In the original estimate for the equip-
 ment of the Madura Technical Insti-
 tute sent by Mr. Chatterton in 1914 a
 shaping machine ^(at a cost of Rs. 600) ~~Rs. 600~~ include
 in the ~~new~~ list of machinery
 required for the Mechanical Engi-
 neering Section of the Institute. Mr.
 Desser requests sanction for the
 purchase of the machine now.
 He states that ~~the~~^a machine obtained
 by Messrs Siemens Bros. Madras. ~~is~~
 three years ago is offered at half
 its price (Rs. 600). The original price
 of the machine ~~is~~ should therefore
 have been Rs. 1,200. Mr. Chatterton's
 estimate provided for a machine
 on Rs. 600. ~~But the latter~~

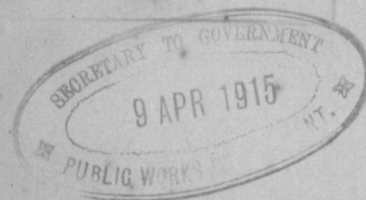

proposed to purchase may perhaps be of a better type & hence the ~~increase~~ costs more. It is submitted that Mr. Trevelin's proposal to purchase the machine may be approved. There is already a mechanical engineering class in the Institute & the machine may be of use in it.

2. Apparently the machine is of European manufacture. In that case, its local purchase should be sanctioned by the Govt. Under rule 36 of the rules for the supply of articles for the public service, when the articles are already in India at the time of order & their price & quality are not unfavourable as compared with those at which similar articles could be obtained through the India Office, they can be purchased locally. The present case will fall under this rule. A draft order is submitted. It may be sent to the P.W.D. ~~for acceptance~~ for acceptance.

* fitter's work, blacksmith's work etc.
