The D.P.'s proposals for making certain modifications in the Madras Educational Rules and the Grant-in-Aid Code have just been received. Their examination will take time.

2. From the proceedings of the Legislative Council meeting held on the 4th April 1913 (slip 2) it will be seen that the Govt. did not give the Council any definite undertaking ~~to appoint a Committee to advise Govt. on the modifications referred to above.~~ What His Excellency then assured the Council was that a Committee would be welcome whenever they were likely to be useful. Before the present proposals of the Director are examined in detail it cannot be said definitely whether the Govt. will appoint a Committee to consider them. The D.P., however, recommends the appointment of such a Committee, and it is probable that the Govt. will eventually decide in favour of appointing a Committee of officials and non-officials to advise them in the matter. In the reply to the interpellation on page 2 ^(however) ~~auto~~ the Govt. need not commit themselves to any definite view, either to appoint a Committee or not to appoint one.

3. The following draft answer is suggested.

"(a) The proposals of the D.P. have just been received."
