23rd March 1915.

My dear Sir,

Will you please refer to Mr. Cardew's letter to the Secretary to the Government of India, Home (E) Department, No. 1304, ^{Nair} dated 21st April 1910, regarding the grant of a Government of India Technical Scholarship to Mr. T.K. Nair.[?] Mr. T.K. Nair returned to India rather suddenly in July ¹⁹¹⁴ last owing to the serious illness of his father. He had at that time drawn in advance his Scholarship allowance up to the 10th of September, and he undertook to repay the sum of £25.17. 9 which he had drawn from us in advance. Mr. Nair had practically finished his training in this country; he took a good degree, and our reports about him were satisfactory, I think, all through.

Mr. Nair now writes (giving his address as Cherpalcherry, via Pattamby, South Malabar) to say that he has been unable to find employment - he had hopes of employment with Messrs Tata, Limited - and that he is not at present able to repay his debt.

I am desired to say that the Secretary of State in Council is of opinion that Mr. Nair should be asked to repay the sum of £25.17. 9, which is due, when he gets

gets employment and is able to do so.

3. We regret to hear that Mr. Nair has not been successful in obtaining employment on his return to India. He has good qualifications; his work here was thought well of; and it would be disappointing if a Scholar who had so well justified his training should be unable to turn it to account in securing an income on his return. I do not know whether you would have any opportunity of helping Mr. Nair in this matter, and I understand, of course, that the Local Government cannot undertake ~~the~~ responsibility on such a point. But I think that Mr. Nair is worth helping and ought to be able to turn his training to good ~~uses~~ *uses, if he gets a chance.*

I am, dear Sir,

Yours faithfully,

A. Bellet

Secretary for Indian Students.
