Copy of Reference from the Board of Revenue, Separate Revenue, Gt.R.No. 92 Salt, dated 18th March 1915.

In para. 4 of Board's Proceedings No. 2376 Salt, dated 6th September 1913, Messrs. J.B. Chatterton, Inspector, third grade and Muhammad Ali Roomey, Assistant Inspector, 1st grade, who had undergone a course of training in the Engineering College in 1911, were warned that they would be reduced if they did not pass Test D before 31st July 1914. On this date Mr. Chatterton had yet to pass Test D ii and Muhammad Ali Roomey, Tests D i, ii and iii. In view of the technical nature of the examination the Board granted them, as a matter of grace, an extension of time till the examination held in January last. Mr. Chatterton has again failed to pass the test. He is only 35 years of age and is not entitled to expect any further extension of the time allowed. The Board recommends that he may now be temporarily reduced to the 4th grade of Inspector and warned that the reduction will be made permanent if he fails to pass the test before or at the examination to be held in January 1916.

Muhammad Ali Roomey has passed test D (iii) but not tests D i and ii. As he is over 46 years of age, he may be exempted from passing these two tests with reference to the correspondence ending with G.O.Mis.No. 1304 Educational dated 18th November 1914. He has passed all the other departmental tests.

2. The Board also requests that the undermentioned two officers may be exempted from passing the tests noted against them

Name.	R a n k.	Tests from which to be exempted.
J.A. Fernandez.	Assistant Inspector 1st grade (sub pro tem)	A, B i & F
C. Avis.	Sub Inspector, 1st grade and acting Assistant Inspector	E in 2 languages.

Mr. Fernandez has passed the tests by the lower grade, but, as he had not passed them by the higher grade (vide rules 4 (11) (1) of the examination rules) he was deprived of his sub pro tem promotion in March 1914. He is now nearly 48 years of age and cannot be expected to pass any more examinations.

Mr. Avis is nearly 41 years of age and his work has always been well reported on. He appears to have tried his best to pass at least in one language but without success. In view of his age and good work, the Board recommends that Mr. Avis may be exempted from passing test E in 2 languages. He is now employed in the distillery line where inability to speak the vernacular will not in any way interfere with his duties and the Board does not propose to employ him outside the distillery line.
