Inspector of schools, 181 Circle, Waltair, for
1914-15 in the Municipal High School, Anka-
-pally, dated 23.2.1915.

(1) An L shaped building is planned.
Space at present is much needed. Part of
a house for 15. monthly rent has been hired,
across the road, and here 4 divisions are
located. But 2 are very crowded, and the
room of another is fearfully dark.

A science room, allowing for practical
work for 20, has been fitted up, but there is
a class at each end, and little room for
keeping apparatus.

x x x x
More space is also very important. Hope
the new buildings will be taken in hand soon.

(sd) C. Mansford.
Inspector of schools.

Inspecting Officer.
