Station Madras, Dated the 24th April, 1915.

From (Name) The Hon'ble Surgeon-General W.B. Bannerman,
C.S.I., K.H.P., M.D., D.Sc., I.M.S.,
(Designation) Surgeon-General with the Government
of Madras.

To The Secretary to Government,
Educational Department.

Sir,

With reference to G.O. 1330 Mis., dated 26th November 1914, deferring temporarily the scheme for the medical inspection of the Elementary Schools opened by the Madras Corporation, I have the honour to state I had intended to propose that Captain J. M. Skinner, I.M.S. might supervise the work of medical inspection and that 3rd grade Civil Assistant Surgeon Srinivasulu Nayudu, L.M.S. now attached to the General Hospital on reserve duty, might be placed on special duty for one month to perform the duties of inspection under Captain Skinner's supervision on the remuneration mentioned in paragraph 2 of G. O. 1104, Edl., dated 22nd September 1914.

2. As, however, Captain Heffernan has been suddenly called away for military duty, I have asked Government to sanction the appointment of Captain Skinner as my personal assistant, in addition to his duties as 3rd Surgeon. He will not therefore be able to take up the work of supervision of the medical inspection of children. This work must therefore, I regret, be postponed until an Indian Medical Service Officer is available. As most of the Indian Medical Service Officers are doing double work, and as it is important that as many as possible should be granted leave during the hot weather vacation, I am unable to suggest the name of any officer for this extra work.

I have the honour to be,

Sir,

Your most obedient servant,

W. Rammurman
