Current No. 1374 Vol From the C.M.C., Cannanore No. 32, dated 19.3.1915

SUBJECT.
Application of the Municipal Council of Cannanore for
a supplemental grant of Rs. 3,500 for the completion of elementary
school buildings

No provision has been made in the current
year's C.B.R. for the payment of subsidies to
local bodies for the construction of elementary
school buildings. It may not therefore be possible
to comply with the request of the Cannanore Municipal
Council. In view, however, of the fact that it
may not be advisable to leave buildings incomplete,
it is for consideration whether the D.P.I. may be
asked to suggest, if possible, any means of sanctioning
the grant applied for. If he cannot, the Council will
have to find the balance itself or adjust the work within the amount available postponing
2. It may be noted in this connection that
the proposals of the D.P.I. for the distribution of
grant for school buildings disposed of in G.O. no 26,
dated the 8th January 1915 did not contain
any provision for the completion of buildings in the
Cannanore municipality, apparently because the
municipal Council did not ^{then} apply for any grant
for that purpose. The Council would thus seem
to have been dilatory in preferring its application
for additional grant. ~~and it is~~ it must blame

itself, if it has to go without the grant asked for.
