S i r,

With reference to Proceedings R.C.No. 4394/14, dated 8-6-1914 promising a grant of Rs.3,000 towards the cost of Electric installation for the laboratory of this College, I have the honour to state that, ever since the receipt of the Proceedings under reply, I have been trying my best to get the work done and the grant drawn before the end of the current month. I have already received 13 packages of Electrodes etc., from our Agents Messrs Crompton and Co., Madras. But the Engine and the Dynamo have not/ as yet been received. I submit herewith a copy of the Agents' last letter on the subject for perusal. The delay is, as Messrs Crompton and Co., said due to pressure of work in their shops at Home occasioned by the War. Thus, you will be pleased to observe that the work could not be finished and the grant drawn before the close of the year under unavoidable circumstances and that the same will be done in 2 or 3 months. I beg therefore, to request that you will be good enough to permit me to draw the promised grant on submission of vouchers about the 1st July next.

I have the honour etc.,
