EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., C.I.E., F.R.H.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 9th February 1915.

No.—Ref. on Cl. 65 of 1914.

In my letter Cl. No. 65, dated 2nd December 1914, I pointed out that it was no use arranging for the relief of the Principal of the Presidency College from a portion of his routine administrative functions, that divorcing him of such functions would not increase his opportunities of coming into personal contact with the bulk of the students and that, on the other hand, he must rely on opportunities created by his administrative work for cultivating closer personal relations with the students. It has also been explained already that the appointment of a chief Professor as Principal was likely to weaken and not strengthen the department of the college in which he was Professor. Mr. Middlemast informs me that, owing to his appointment as Principal of the college, the mathematical work in the college has seriously suffered, and strongly urges the necessity for putting things on a better footing.

Whatever may be the final solution of the problem, I consider that the addition of a Professorship to the staff of the college from at latest the beginning of next term is absolutely necessary. It is not intended if this is done that the Principal should be relieved entirely of lecturing work, he will still do some work in the honours classes in the department of studies to which he belongs and exercise a general supervision over its organization and development.

In these circumstances I have the honour to request that you will be pleased to obtain, pending the result of the labours of the Public Services Commission, the sanction of Government for the creation, tentatively for a maximum period of three years from 1st July next, of an additional professorship in the Presidency College on a salary of Rs. 300 per mensem, the appointment to be a special one outside the cadre of the Provincial Educational Service.

I propose a salary of Rs. 300 with a view to secure the services of graduates of high attainments and the first appointment will probably be of a mathematician already in the ninth or the eighth class of the Provincial Educational Service. With a change in the Principalship the department of studies to which the additional Professor will be attached would also have to change.

2. I beg to submit the usual proposition statement and to request that provision may be made in the Budget Estimate for 1915-16 for the extra charge amounting to Rs. 2,400, being the salary of the new post for eight months from 1st July next.

2. The entries in the column "present scale" of the proposition statement have been compared with the registers of this office and are correct.
3. There is no audit objection to the proposal being sanctioned by Government.
4. It is now too late to include in the estimates for next year the additional provision proposed by the Director of Public Instruction unless a corresponding deduction is made on account of probable savings. If this is not allowed, it is requested that the necessary reappropriation of grants may be sanctioned during the course of the next year.

Order—No. 533, Educational, dated 18th May 1915.

The Government sanction the proposal of the Director of Public Instruction to employ an additional professor in the Presidency College tentatively for a maximum period of three years from the 1st July 1915. They consider that this post should be included in the cadre of the Provincial Educational Service and for this purpose sanction the creation of a temporary post in the ninth grade on Rs. 200 per mensem.

2. The Director of Public Instruction will be requested to submit a re-appropriation statement for meeting the charges on account of the salary of this professor in the current year.

EDUCATIONAL DEPARTMENT.

Letter from the Director of Public Instruction, dated 9th February 1915, No. 65.

In the linked file,* dealing with the question of further representation to the Government of India regarding the creation of a separate post of Principal for the Presidency College, Madras, the Government have accepted the principle proposed by Mr. Stone that the staff of each department of studies in the college should be † self-contained, apart from the Principal and that the latter should be an addition to the branch in which he is a specialist. In accordance with this principle, an additional professor will have to be appointed for the department of studies to which the Principal belongs. The present proposal to employ an additional professor generally without reference to any particular branch of study may therefore be approved.

2. Pending the result of the labours of the Public Services Commission, the Director proposes to employ the professor temporarily for a maximum period of three years from 1st July 1915, and to pay him Rs. 300 per mensem. Considering the duties the new professor will have to perform, the salary suggested appears moderate and may be accepted. As the appointment is temporary, it need not, as suggested by the Director, be included in the Provincial Educational Service. The Financial Department may be asked if they agree to the proposal.

It may not be possible to make provision for this purpose in the budget estimate for 1915-16. Some re-appropriation will have to be made.

3. It may, however, be doubted whether it will be advisable to sanction the creation of the temporary appointment, when the Secretary of State has definitely disallowed the proposal to employ a separate Principal, before he is further addressed to reconsider his previous orders.

S.A.—1-3-15.

There is, however, no hurry to issue orders in the present case, as the additional professor is needed only from July next. If the Government of India are to be addressed again, orders on this case may await their reply thereto or until the beginning of June next. The urgency in this case is only in regard to the provision of funds in the budget for the purpose, if that is possible. Financial may see the case at the present stage.

C.R.—2-3-15.

G.O. 275, Educational, 12th March 1915.

Why not allow the linked file to be disposed of first?

P. RAJAGOPALA ACHARIYAR—3-3-15.

It has since been decided not to address the Government of India at present for a reconsideration of the previous orders regarding the appointment of a separate Principal for the college. The question of appointing an additional professor has, however, to be faced. For orders whether the file may be sent to Financial for remarks.

C.R.—22-3-15.

It has been decided to accept—at any rate for the present—the decision of the Secretary of State vetoing a full-time Principal for the Presidency College. That makes it all the more necessary to provide for strengthening the department of the college which the Principal (for the time being) controls as Professor. The appointment proposed by the Director of Public Instruction may, therefore, be sanctioned. It would be temporary for three years: and the salary proposed (Rs. 300) does not appear excessive in view of the work.

P.R.—24-3-15.

To the Financial Department.

FINANCIAL DEPARTMENT.

It is submitted that, in view of the notes of His Excellency the Governor and the Honourable Members on page 3 of Notes to G.O. Nos. 206-207, Educational, dated 17th February 1914, the creation of a temporary appointment of Professor in the Presidency College for a period of three years from the 1st July 1915 may be accepted in Financial.

B.L.—8-4-15.

professors in the Presidency College are held by members of the Indian Educational Service (ordinary pay Rs. 500—500—1,000) or by members of the Provincial Educational Service among whom there are nine grades †. The Director of Public Instruction remarks that pending the result of the labours of the Public Services Commission, the present appointment may be a special one

outside the cadre of the Provincial Educational Service.

It is submitted that the principle underlying the proposal at X on page 2 is not understood. If following the existing arrangement the temporary appointment were to be added to the Provincial Educational Service, the temporary appointment

* This is the last grade.

Cf. Honourable Member's note, 26th January 1912, on page 7 of Notes to G.O. 361, Revenue, 10th February 1912.

M not now in the Educational Department, is to be specially recruited for the purpose and if he will not take up the appointment for anything less than Rs. 300 per mensem. From the Director of Public Instruction's letter the intention does not appear to be as at M above, so that the direct result of fixing the pay of the

will have to be in the Rs. 200 * grade according to the rules generally observed in regard to temporary additions to graded services. A pay of Rs. 300 per mensem will be justifiable only if a man,

not now in the Educational Department, is to be specially recruited for the purpose and if he will not take up the appointment for anything less than Rs. 300 per mensem. From the Director of Public Instruction's letter the intention does not appear to be as at M above, so that the direct result of fixing the pay of the

appointment at Rs. 300 per mensem will be that some officers of the Provincial Educational Service will get temporary promotion. It is submitted that it is doubtful whether a case has been made out

for the extra expenditure thereby involved. It is therefore for orders whether the Educational Department may be requested to consider if, following the rules, a pay of Rs. 200 per mensem will not suffice for the temporary post in this case, whether it is included in the Provincial Educational Service or not. It may be stated that it is

Of course.

open to the Director of Public Instruction to post an officer of any grade in the Provincial Educational Service for the actual work under the Principal.

4. Provision of funds.—The Educational Department may be requested to ask the Director of Public Instruction to forward in due course a reappropriation statement for the extra charge during 1915-16.

C.P.K.—2-4-15.

I agree with this. In the interests of economy the temporary post should be added to the Provincial Service by creating an extra post on Rs. 200 therein.

A.B.—9-4-15.

Subject to the modification suggested in paragraph 3 above, a point on which Financial has always insisted in other similar cases, the proposal of the Educational Department may be accepted.

B. LAVILLE—8-4-15.

It is for Educational to decide whether this proposal is not merely a way of getting round the Secretary of State's orders. Financial is bound to call attention to this view of the case and the Honourable Member (Financial) should see.

A. BUTTERWORTH—9-4-15.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

A draft un-official note to the Director of Public Instruction asking him to state whether, as suggested by Financial, it would be sufficient to create a temporary post in the last grade of the Provincial Educational Service on Rs. 200 per mensem is submitted for approval.

P. RAJAGOPALA ACHARIYAR—23-4-15.

With reference to the Director's proposal to employ an additional professor on Rs. 300 per mensem for three years from the 1st July 1915 in the Presidency College, Madras, it is observed that it may be sufficient to create a temporary post in the last grade of the Provincial Educational Service on Rs. 200 per mensem, leaving the

Director to post a Provincial Educational Service officer of any grade for actual work in the college. The Director of Public Instruction may be asked unofficially to state whether he agrees to this suggestion.

EDUCATIONAL DEPARTMENT.

With reference to the Chief Secretary's remarks in his note, dated the 9th April, on page 3 *supra*, it is submitted that though the present proposal may appear to be merely a way of getting round the Secretary of State's orders, the necessity for an additional professor is so much felt that it was considered desirable to address the Government of India for a reconsideration of the orders. It was, however, decided not to go up to India just now.

2. A draft order is submitted for approval. It may be circulated to His Excellency and the Honourable Member (Financial).
