(2) Referring to G.O. NO. 1039. Mis. of 4-9-14, dealing with
the question of the halting allowance during the period of
my special duty in Madras, I have the honour to inform you
that I find the difference in my expenditure in Madras and
Madura to amount to Rs. 4-12-0 or so per day.

The difference given is that caused by the charges
for Rooms and Meals, and Battah to servants, but does not in-
clude any carriage or similar charge, which would not have
been incurred in Madura.

The dates during which I was in Madras and for
which no halting allowance has been drawn are as follows:-

The Director of Industries,

Madras.

Sir,

Referring to Copy of Memorandum NO. 980-1, Edl, dated 29th March, 1915, calling for details of the additional expenditure incurred by me during my halt in Madras, I have the honour to inform you that this expenditure was with respect to Lodging and food for myself, and Battah to servants. From my Bills I find that my outlay for Rooms and meals was at the rate of Rs. 6-2-0 per day, and Battah to servants was As. 6.

The only expense which I saved in Madura was that represented by Bazaar Accounts and Stores which is usually at the rate of Rs. 1-8-0 to Rs. 1-12-0 per day, my rooms and the necessary servants having to be kept on as though I were in residence in Madura.

Through G.O. NO. 1039. Mis. dated 4-9-14, I was informed that the question of my halting allowance would be considered at the conclusion of my period of special duty in Madras and my NO. 8 of 1915 of March 8th was written with the object of giving the information which would permit of the amount of the allowance which might be granted being determined.

I have the honour to be,

Daily allowance to Dr. Narsden, the Dyeing Expert, for his stay in Madras in connection with the industrial education committee.

(2) Please see para 4 of G.O. No. 1039 Educational, dated the 4th September 1914. With reference to that G.O. Dr. Narsden desires that the question of his daily allowance for the period of his stay in Madras ~~should be~~ in connection with the meetings of the Industrial Education committee should be considered by the Govt. He states that the difference ~~incurred~~ between his expenditure in Madras + Madras is about Rs 4.12.0 a day in addition to carriage + other charges which he would ~~be~~ not have incurred in Madras. It is submitted that the procedure in applying for daily allowance for full period of halt is to ~~give~~ furnish a statement showing the actual expenditure incurred on account of the halt away from headquarters together with rough particulars showing the objects.

objects on which the additional expenditure was necessary. If this is done, it would be possible for the Govt to find out whether the whole amount of the extra expenditure should be recovered from the State or, if only a portion should be so recovered, how the daily allowance should be calculated. It is submitted that Dr. Narsden may ~~also~~ be asked to furnish the above information. A draft memo is submitted for approval.

2. The Director of Industries should have submitted his letter through the Accountant-General. His attention may be drawn to the omission & he may be asked to submit his reply to the reference proposed, through the A.G. A para has been added to the draft to this effect.

page 4 of C.F.

Please see notes on pages 1+2 above. Dr. Narayan has submitted his reply to memo No 900-100, dated the 29th March 1915 in which information was called for as to the details of the extra expenditure incurred by him in connection with his halt at Madras. Under G.O. No 251 Financial, dated the 18th June 1910 exemption from the ten days limit prescribed by Art. 1056 of the C.S.R. can be granted only if an officer was put to appreciable additional expense in connection with the halt 'additional expense' being taken to mean expense which the officer would ~~have~~ not have incurred had he remained in headquarters. In the present case, the charges incurred by Dr. Narayan in connection with his halt at Madras fall under three heads:-

- (1) charges on account of meals
- (2) " " rooms.
- (3) " " batta to servants.

Items 2 & 3 have been admitted by the Financial Dept^t as legitimate items of

page 6 of C.F.

G.O. No 66 Fin. of 28.1.13
+ G.O. No 666 of 26.9.13

of extra expense. As regards the first item viz., food charges, that Deptt. admits such portion of it as extra expense as had been incurred over above what would have been spent by the officer in his headquarters. D. Marsden states that his outlay for rooms & ~~the~~ meals was at the rate of Rs 6.2.0 a day & batta to servants at six annas a day, thus making a total of Rs 6.8.0 per day. He also states that the only expense which he saved in Madras was that represented by bazaar accounts & stores which was usually at the rate of Rs 1.8.0 to Rs 1.12.0 per day. Apparently the latter includes his ordinary food charges at Madras. In that case, Rs 5.0.0 may be taken to be the extra expense incurred by him at Madras. He, being an officer of the first class, is eligible for a maximum daily allowance of Rs 5. under Art. 1063(i) of the C.S. R. To reconp his extra expense it is therefore necessary to grant him full daily allowance for the entire period of his halt at Madras.
