(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Educational Department.

Sir,

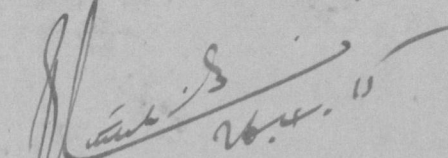

A grant of Rs.12,700/- was sanctioned in G.O.No. 818 Edl., dated 13th July 1914 towards the cost of constructing a hostel for the A.B.M. High School, Nellore, now known as the Coles Ackerman Memorial High School, Nellore. As the management subsequently proposed to add a second storey, this grant was raised to Rs.27,667/- in G.O.No. 178 Edl., dated 18th February 1915, the difference of Rs.14,967/- being half the estimated cost of the proposed second storey and outhouses. The Correspondent now reports that he finds it impossible to raise his half share for the proposed addition and requests permission to apply the

whole of the additional grant of Rs.14,967/- to the erection of the second storey only, excluding the out-houses, vide his letter dated 1st April 1915 (copy enclosed). His request if sanctioned practically comes to sanctioning a full grant for the second storey, but in view of the circumstances ^{set forth by the Correspondent} especially in the penultimate paragraph of his letter I have the honour to recommend as a special case that his request may be sanctioned.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

The Director of Public Instruction,

S i r,

In continuation of my letters dated 3-5-1913 and B. No. 50 dated 16th September 1914 and with reference to your Ref. on Cur. No. 4165 of 1913, dated 1st March 1915, I have the honour to submit the following.

1. That my application for the second storey for our hostel which is now under construction, was for full grant, and that a half grant was sanctioned, that is the grant was raised from Rs.12,700 as sanctioned in G.O.No. 818 Edl., dated 13th July 1914, to Rs.27,667/- making an increased grant of 14, 967/- for second storey, kitchen and Dining rooms, Bath rooms, Latrines and water service.

2. That I have exhausted every possibility of my raising my half, that is Rs.14,967 without success.

3. That the Rs.14,967 mentioned above, plus Rs.1,133 will be just sufficient to cover the cost of the second storey, without Kitchens and Dining rooms, Bath rooms, etc.

4 I request, therefore, that you will be so good as to recommend to Government that we be permitted to apply the whole of the increased grant of Rs.14,967 to the erection of the second storey only, excluding the Kitchens and Dining rooms etc., The additional amount ~~requested~~ required for the second storey, that is Rs.1,133/- I can supply.

5 My only alternative to this request is to ask Government to cancel the sanction.

6 If my request be granted, it will enable

the school to have the use of the second storey, which it is badly in need of, and it will not involve expenditure on the part of Government above that already sanctioned.

1 It may not be out of place to mention in this connection that three years ago the management erected a Rs.30,000 school building entirely at its own expense.

2 I beg to state further that the building of the first storey has progressed to the top of the doors and windows and the material for its completion is all on the ground.

I have the honour to be,

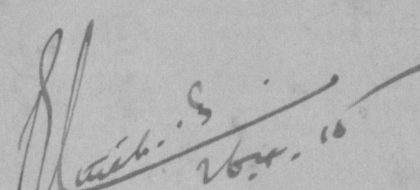

S i r,

Your most obedient servant,

SUBJECT. Building grant for the lokes
Chakravarthy memorial high school
 hostel, Nellore.

From the D. P. D. P.O.C. No. 4168/13, dt. the 26th.
 April 1915.

Register No. 1517 Edl.

The approved ^{revised} estimate
 for the hostel for the lokes Chakravarthy
 memorial high school, (formerly called
 the A. B. M. high school) Nellore, is
 Rs 25,400 and the Govt. sanctioned
 a half grant of Rs 12,700. Apparently
 there is no difficulty about the manage-
 -ment finding its share of the cost in
 this case.

2. The difficulty is about the
 second storey and the outhouses to be
 added. The approved estimate so far
 as these ^{additions} ~~buildings~~ are concerned is
 Rs 29,935 and the Govt. sanctioned
 a half grant of Rs 14,967. The
 management being unable to provide
 its half share, permission is ^{now} sought
 for the utilization of the Govt. grant

of Rs 14,967 for the second storey above (excluding the out house) which is estimated to cost Rs 16,100. If the Govt. should agree to this request, they will, as the D. P. I. points out, be practically giving a full grant for the second storey. The reasons advanced in support of the Correspondent's request are:-

(i) That the construction of the second storey will have to be abandoned if the request is not complied with.

(ii) That the proposal does not involve any additional expenditure on the part of Govt.

(iii) That the school is badly in need of the second storey.

(iv) That three years ago, the management erected the school house costing Rs 30,000 entirely at its own expense.

In view of these circumstances the Director recommends that the Correspondent's request may be complied with.

policy of restricting grants to one half
of the cost - vide page 3 of the notes

nothing to prevent exceptional cases
being accorded special treatment.

item (ii) on p. 2 ante.

In para 7 of his letter the correspondent says that, three years ago, the management erected a building for the school at a cost of Rs 30,000/- entirely at its own expense. This is one of the reasons given for the special treatment now applied for or applied for. No grant was given or in respect of the school building mentioned by the correspondent and no grant can now be claimed or given in respect of a building already completed or even commenced without permission - vide G.O. No. 1269 Ed. of the 12th November 1914 and the

Deputy Secy

Secretary's note of the 1st. October 1914
on page 2 of the notes to the Govt. order.
Submitted that the fact that no grant
was claimed or given in respect of a
building already completed cannot be
adduced as a reason for according
special treatment to a subsequent appli-
cation for a grant for another building.

In this connection it may be mention-

ed that in the case of disposed of in

son for special treatment was adduced
