or any modern European language" for "vernacular composition and Translation" under Group A in para IV of the scheme for the award of secondary school Leaving certificates published on pages 383 to 386 of Part I B of the Fort St. George Gazette, dated 27th July 1909. The lightening of the courses in English and Elementary Mathematics under Group A of the scheme and in certain other subjects under Groups B and C as suggested in para 12 of my letter H.C.No. 8854/12, dated 16th June 1914 is now being considered by the Secondary School Leaving Certificate Board. The revised syllabuses in these subjects when finally approved by the Board will be communicated to the heads of all Secondary schools. The text-books to be prescribed by the Secondary School Leaving Certificate Board for the various vernaculars under Group A in accordance with the new rules will be published in the Fort St. George Gazette.

2. As the revised syllabuses in certain subjects are not yet ready, the changes cannot be given effect to during the school year 1915-16. I shall address Government again submitting the necessary draft notification when the syllabuses and text-books have been drawn up by the Board. Pending my further communication, there is no need for the publication of the notification mentioned in para 1 above.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.
