For the A.S.

The proposal to employ an addl assistant ^{capable of handling English & Hon. History} in the Madras College for Women for a period of one year from the 1st July 1915 may be accepted. Please see in this connection the report of 3.10.14 of the Commission appointed to conduct the local enquiry ^{at the above college} under section 21 (2) (a) of the Indian Universities Act in which they considered that when the senior intermediate class was begun, it would be necessary to appoint another person to the staff capable of assisting the Principal or Lecturer or both and recommended that that the affiliation ^{to the University of Madras} should be granted provided that the management strengthened the staff when the second year class was opened. In Sept. 1914, the D. O. I. reported that the strength of the College was 30 students and ^{that he} expected at least 60 in July next. The proposed addition, therefore, appears necessary.

2. Rate of pay The rate of pay proposed for the new asstt. is the same as that now drawn by the Asstt. already employed in the College. As the addl. Asstt. will apparently be of the same status and qualifications as the existing one this rate of pay may be accepted.

3. Provision of funds. For provision of funds please see para. 4 of the A.G.'s endt. on page 3 c.f. and para. 2 of the draft.

October next are intended to take the
places of the Principal & Lecturers
which are now filled temporarily
by Misses de la Hay and Myers.
Please see para. 4 of the D.P.'s letter
on page 3 of G.O. No. 614, Dtd., 27.5.14,
where he alludes to the necessity that
will eventually arise of absorbing these
two ladies in vacancies in the
Madras College for Women or else.
where when permanent arrangements
have to be made in the College staff.

2. In the present case a third
appointment on the College staff for
a period of one year has been
found necessary. The arrival of
the two ladies from England in
October next will displace two
of the ladies employed in the
College, but it will not affect
the need for a third appointment
on the College staff. ~~The personnel~~
factor may, it is submitted, be
left out of consideration in view of
the D.P.'s statement referred to at A
in para 1 above.
