NOTES CONNECTED WITH G.O. No. 583, EDUCATIONAL, DATED

[SUBJECT.—*Distribution of subsidy to local bodies towards the enhancement of the pay of pandits, etc., in schools and colleges under them.*]

In July 1913 the Director of Public Instruction, while submitting proposals for the distribution of subsidies to local bodies for improving the scale of salaries of the general staff employed in the secondary schools and colleges under their maintenance, also suggested that Rs. 9,100 might be set apart for raising the pay of pandits and other language teachers employed in the above institutions. The Government, however, approved only the former proposal. As regards the increase in the pay of pandits, etc., the Financial Department stated that, as the cost on this account was to be included in the application to the Government of India for an assignment promised by them in connection with the reference received from that Government regarding the question of the encouragement of ancient learning and the cultivation of the ancient languages of India, the provision of Rs. 9,100 proposed for pandits should be deferred until the application to India was made and answered.

2. In this Government's letter to the Government of India, No. 116, dated the 6th February 1915, on the subject of the encouragement of ancient learning, etc., the provision for the improvement of the pay of pandits, etc., in schools and colleges under local bodies was also included. That Government, however, while generally approving the proposals, regret their inability to hold out any hope of financial assistance.

3. Meanwhile, at the suggestion of the Finance Committee, a recurring allotment of Rs. 9,000 has been entered in the Civil Budget Estimate for the current year under "22-E. Government Schools—General—Payment in support of local board and municipal schools." It is submitted

NOTES TO G.O. No. 583, EDUCATIONAL, 31ST MAY 1915.

that this sum may now be distributed to the local bodies concerned. Before, however, doing so the Director of Public Instruction may be asked u.o. to state if the distribution proposed in 1913 may be adopted or if any alteration is necessary therein.

FINANCIAL DEPARTMENT.

Paragraph 12 on page 3 of letter 116, Educational, 6th February 1915. In regard to the raising of the pay of pandits and munshis in ordinary schools, the extra annual cost involved is as follows:—

	RS.
(a) Schools under Government	4,010
(b) Schools under local boards and municipalities	9,100
(c) Schools under private management	50,000
Total	63,110

2. Item (a) was sanctioned in G.O. No. 921, Educational, dated the 16th October 1912. The present case relates to item (b); while in regard to item (c) it is very probable that in the near future aided school managers would increase similarly the pay of pandits and other language teachers in their institutions and that Government will thereby have to pay an extra teaching grant.

NOTES TO G.O. No. 583, EDUCATIONAL, 31ST MAY 1915.

3

3. In regard to item (b), attention is solicited to the notes of the Financial Department and of the Honourable Member (Financial) on pages 4 to 5 and 6-7 of Notes to G.O. No. 1007, Educational, dated the 5th November 1913, in which it was noted that the proposal made by the Director of Public Instruction in 1913, to sanction subsidies amounting to Rs. 9,100 per annum to local bodies for the cost of improving the scale of salaries of the pandits and other language teachers employed in the secondary schools and colleges under the management of local bodies should be deferred until an application to the Government of India for a compensatory recurring Imperial assignment was made and answered.

Cf. Honourable Member's (Financial) note, 24th October 1913, on page 7 of Notes to G.O. 1007, Educational, 5th November 1913.

In paragraph 12 of letter No. 116, Educational, dated the 6th February 1915, the Government of India were accordingly requested to sanction a recurring assignment from Imperial funds to meet the charges on account of the three items referred to in paragraph 1 above. The Government of India have, however, in their letter, dated the 6th April 1915, stated that they are unable at present to hold out any hope of financial assistance.

4. Orders are solicited as to whether the draft order in the present case which

* Included in the sum of Rs. 39,000 under 22-E. Payments in support of municipal and local board schools—page 139, Civil Budget Estimate.

† Page 2 of report and paragraph 55 on page 7 of Proceedings of the Finance Committee for 1915.

relates to item (b)—(it may be mentioned that a provision of Rs. 9,000 * has been made for this purpose in the current year's budget, at the suggestion † of the Finance Committee of January 1915)—may be accepted. As already stated, the Government will have to find a sum of about 50 lakh per annum sooner or later for item (c).

V.G.K.—11-5-15.

I venture to think that we may sanction this subsidy and make a virtue of our having done so when we address the Government of India again—on a more propitious occasion—for a recurring assignment in connection with the encouragement of oriental studies.

L. E. KERSHAW—12-5-15.

As a sum of Rs. 9,000 has been assigned for this purpose from "Unallotted", I take it that Government are prepared to meet the cost of this particular item even though the Government of India have refused to give us for the present any contribution from Imperial. The draft may therefore be accepted in Financial but the Honourable Member (Financial) should see.
