SUBJECT.

Resolutions passed at the ninth Godavari
St conference.

Short notes are submitted on the resolutions
of the conference.

2. Resolution No 15. Establishment of
Secondary Schools.

The policy of the Govt in regard to the
opening of secondary schools is to
rely on aided agency. The request
of the conference that secondary
schools should be established in
Jagannathagiri in the bocanada
taluk & in jaggaipeta in the Peramp
taluk is one for consideration by
the local bodies or by private
agency in the first instance.

3. Resoln No 18. Elementary schools.

The conference urges that the Govt
should legislate so as to provide for
free & compulsory education. This is
a matter for the Govt of India to consider

para 10, page 5
 of J. No. 394²⁵
 1.5.13

Stat. No. 56, on page 6
 of Vol. II of Pub. Dist. Repts.
 for 1913-14.

that Govt have stated in their E. P. order that it is not practicable at present to introduce free & compulsory primary education.

The Conference also urges that a school should be established in every village with a population exceeding 500. Of the villages with a ~~proper~~ population of between 1000 & 2000, 90 per cent were provided with schools & of those with a population of between 500 and 1000, 55 per cent were provided with schools in the District, the Presidency averages for these two classes being 79 and 56 respectively. The District is therefore above the average in regard to the facilities provided for elementary education. ~~There is no need of further extension~~ & it does not appear that any special steps should be taken to provide more schools at present. No action seems therefore necessary on this resolution. ^{present} financial condition ~~will not allow of it even otherwise.~~

4. Resolution 32.

(a) The file regarding the extension of the B.L. Course from two to three years is now in circulation to H.E. and the Hon'ble Mr. Sivaswami Ayyar. This portion of the resolution may be extended.

and added to the main file when it returns from circulation. No other action is necessary.

(b) The power of fixing the centres where University examinations may be conducted rests in the Syndicate and the Conference showed address that body on the subject of the resolution. No action on the part of Govt. is called for in the matter.

5. Resolution 23.

The subject of this resolution, almost word for word, has been brought to the notice of Govt. by the Hon. Mr. K.R.V. Krishna Rao in a question proposed to be asked at the Leg. Council meeting to be held on the 25th inst. The answers to that question which will be published, will form the reply to this resolution also. No separate action is needed.

6. The receipt of the resolutions has already been acknowledged in the Ltn. dep't. The papers may merely be recorded. A draft order is submitted for approval.

The resolutions specified on the previous page, page 13(c) have already been noted on - please see paper at slip (A).

2. As regards 13(c) it does not appear that the question of establishing a separate University for Andhras is within the range

of practical politics. That part of the resolution therefore calls for no action.
