GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 7th May 1915.

No.—Ref. on Cur. 2449.

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment from 1st July next or from the date of entertainment, whichever is later, of a peon on Rs. 7 per mensem in the Physical Science Laboratory of the Teachers' College, Saidapet. There is at present one attender on Rs. 12 per mensem for the Physical Science Laboratory exclusive of the gasman whose employment from 1st July next was sanctioned in G.O. No. 249, Educational, dated 5th March 1915. There are now only one lecture room and one laboratory for science in the model school building, and the science lecturer reports that when the new laboratory buildings are completed with fittings in July next, there will be one lecture room, one physical laboratory and one chemical laboratory in the new building where science classes for the L.T. section and for group C (Physics and Chemistry) pupils in Forms V and VI will be held while elementary science lessons for all the forms will be given in the present science lecture room in the model high school where the apparatus and appliances required for teaching the subject will also be kept. As science work will thus be done in both the buildings which are at some distance from each other, it will not be possible for a single attender to manage the work. Further, with the increased accommodation provided by the new science laboratory, there will be an increase of practical work and it will be beyond the powers of one attender to cope with the work of distributing and cleaning apparatus, etc. The lecturer therefore considers that he should be given the help of a peon.

Excluding the peon on Rs. 7 per mensem sanctioned for the Secondary Training section, there are at present seven peons in the College and the Principal states that all of them are at present fully engaged and that none of them can be spared for laboratory work.

In these circumstances, I am convinced of the necessity for an additional peon on Rs. 7 per mensem for employment in connection with the Physical Science laboratory.

2. The extra charge during the current year will be Rs. 56 and I shall submit the necessary re-appropriation statement on receipt of the Civil Budget Estimates.

II

Endorsement No. Chin./3640, dated 19th May 1915.

Forwarded.

2. There is no audit objection to the entertainment of a peon on Rs. 7 per mensem in the Teachers' College, Saidapet, being sanctioned by Government.

3. Necessary re-appropriation of funds should be sanctioned to meet the extra expenditure involved by the proposal, before it is incurred.

Offg. Chief Superintendent.

To the Secretary to Government, Educational Department.

2. This sanction has been registered as No. 56 of 1915-16.
