To

The Chairman, Municipal Council, Palghat.

Through

The Principal, Victoria College, Palghat.

Sir,

We the teachers of sanskrit and the vernacular languages regret to have to bring to your kind notice that the question of giving us our teaching grant has been held in abeyance for some time past.

As the college authorities know full well the qualifications, the experience and the claims of each of us we do not think it necessary to blow our own trumpet.

We will only submit that we have a right to get our teaching grant in common with other teachers who have already been drawing their grant for close upon two years.

We therefore humbly beg to urge upon the Municipal Council the necessity of taking up this long delayed question in the hope that no efforts will be spared to get us our well earned teaching grant with retrospective effect.

We beg to remain etc.,

No. c 7/15 dated 10-4-15.

Submitted to the Chairman for favour of sympathetic consideration. It does certainly seem hard that the applicants should be excluded from the help generously given by Government to all the other teachers, and indeed it was not the intention of Government that they should be excluded. It is however probable that the help promised to them in G.O. No. 804 M.Mis dated 22-4-14 will not be given for some time on account of the War, and I would therefore respectfully beg the Council to do something for them.
