Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 12th May 1915.

No.—Ref. on Cur. 2415.

I have the honour to request you will be so good as to obtain the sanction of Government for the employment from 1st July next of two temporary demonstrators on Rs. 50 each per mensem for the Chemistry department of the Presidency College.

The number of students in the Chemistry department on the 31st March last is reported to be 209 as shown below :—

Intermediate	... { Junior 62 } ... 131
	... { Senior 69 } ...
	... { II-A—3rd year 17 } ...
B.A. Pass	... { II-A—4th year 21 } ... 58
	... { II-B—3rd year 9 } ...
	... { II-B—4th year 11 } ...
B.A. Honours	... { II-A—3rd, 4th and 5th years 9 } ... 20
	... { II-B—3rd, 4th and 5th years 11 } ...

The present staff of this department consists of a Professor and an additional Professor in the Indian Educational Service and two Assistant Professors in the Sub-ordinate Educational Service (Collegiate Branch). Of these, *the Professor* lectures on Inorganic Chemistry to the 3rd and 4th year Pass and Honours classes and on Physical Chemistry to the 5th year Honours class, and superintends the laboratory work of the Honours students in Inorganic and Physical Chemistry; *the additional Professor* lectures on Organic Chemistry to the 4th year Pass class and to the 4th and 5th year Honours classes and superintends the laboratory work of the Pass II-B students (4th year) and the Practical Organic Chemistry of the Honours students; *the Senior Assistant Professor* lectures on Inorganic Chemistry to the II-A (Pass and Honours) students, 3rd and 4th year and superintends the laboratory work of the II-B students 3rd year and the II-A students (Pass and Honours), besides being in charge of the gas plant and distilled water plant; and *the Junior Assistant Professor* lectures to the Intermediate students (Junior and Senior) and is also in charge of other laboratory work.

It is stated that the Chemistry work in the Intermediate classes, which are very large, is extremely heavy and cannot be carried out efficiently by the Assistant Professor in charge and that it is impossible at present to bestow on each student the amount of personal attention required in the laboratory in the early stages of his training. The Principal therefore recommends the employment of two demonstrators on Rs. 50 each to assist the Junior Assistant Professor in his work with the Intermediate classes.

I am convinced of the necessity for the extra help asked for and consider that the demonstrators may be temporary, being employed from year to year, as in the case of the demonstrators for the Physics department sanctioned in G.O. No. 310, Educational, dated 11th April 1912.

The charge will be met from the savings under salaries in the College budget for the current year.

EDUCATIONAL DEPARTMENT.

From the Director of Public Instruction, dated the 12th May 1915, No. 2415.

Prior to 1909 the staff of the Chemistry department in the Presidency College, Madras, consisted of a professor (in the Indian Educational Service) and one assistant (in the Subordinate Educational Service). In the reorganization of the staff of the college in that year in order to provide for the requirements of the new University regulations, another professor (in the Indian Educational Service) and another assistant (in the Subordinate Educational Service) were added to this department. The Director of Public Instruction now solicits the sanction of the Government for the employment of two temporary demonstrators on Rs. 50 each per mensem chiefly for the intermediate classes. These demonstrators are to be employed from year to year as in the case of the demonstrators in the Physics department. Submitted that, in the circumstances explained by the Director, the present proposal may be approved. A draft order is submitted. Though the staff is to be temporary and the total cost per annum is within Rs. 3,000, the acceptance of Financial is necessary, as there is no specific provision in the budget for the purpose. The draft order may therefore be sent u.o. to that department.
