Register Nos: 1563 & 1866 Edl:

The Director's proposal for the retention of the housekeeper for a period of one year from the 1st April 1915 may be approved.

2 The next proposal to grant her a month's annual holiday on full pay is apparently due to the fact that she is not allowed to have the benefit of the College vacation, the ~~college~~ hostel continuing to work during that period also. As pointed out by the Accountant General this concession, if granted, would be really privilege leave under art: 242 (a) of the Civil Service Regulations and as such cannot be allowed only if no substitute is required or if

The employee's duties can be provided for without additional expense. Subject to this condition, the proposal may also be sanctioned.

3 A draft order is submitted for approval. It need not go to Finance as there is provision for the change in the current year's budget.

The Principal recommends that the housekeeper may be allowed a month's holiday in a year with full pay; but the Accountant General states that she may be allowed to avail herself of a month's vacation during the summer vacation provided no addl. expense is caused to the State. There appears to be no objection to her being allowed a month's holiday on full pay at any time during the year provided no extra expense is caused to the State. The draft order may be approved.
