LEGISLATIVE DEPARTMENT.

Educational Department.

The Hon'ble Shifa-ul-Mulk T. Zain-ul-abidin Sahib.

124 Q.—Will the Government be pleased to consider the advisability of appointing a clerk to every training school for masters for relieving the headmasters and other teachers of their clerical work in the interests of efficiency?

[Meeting of 26th May 1915.]

Educational Department.

No clerks are at present employed in any of the training schools for masters. In submitting proposals for the organization of training schools in 1910 the Director stated as follows in regard to the staff for secondary training schools.

"There would also be an increase of clerical work requiring some clerical assistance. I would therefore provide in connection with each of the above secondary ~~institutions~~ training Sections an additional drawing master at a salary of Rs. 20 and an additional gymnastic instructor at Rs. 15 who, between them, may be expected to do the extra clerical work". The employment of these two teachers, among other staff, was accordingly sanctioned in Lys no 512 Edl., dated the 4th June 1913.

As for the elementary training schools, apparently the headmaster with the assistance of his assistants ^{gymnastic instructor} is able to perform the little clerical work that may have to be done in connection with them.

No representations have till now been received for the establishment of separate clerks for the performance of clerical work in any of the training schools. It is submitted that the Additional Member may be informed that the Govt. see no necessity for the employment of a separate clerk. The following draft answer is for approval:-

"The Government see no necessity for the employment of separate clerks in training schools the existing facilities for the purpose being sufficient."
