LEGISLATIVE DEPARTMENT.

Educational Department.

The Hon'ble Mr. V. S. Srinivasa Sastri.

128 Q.—Will Government be pleased to lay on the table a statement showing, with respect to each grade or class of the undermentioned services of the Education department, the sanctioned strength, the number of vacancies that remained unfilled on the first day of April in each of the years 1913, 1914 and 1915, and the numbers of these which remained unfilled for periods of three months and under, between three and six months, between six months and one year and over one year:—

- (a) Provincial Educational Service;
- (b) Sub-assistant inspectors including headmasters and assistants in training schools for masters belonging to the cadre;
- (c) Supervisors of elementary schools including teachers in training schools belonging to the cadre?

[Meeting of 25th May 1915.]

Of the three services referred to in the Question, appointments to Provincial Educational Service alone are made by the Government, the others being made by the D.P.I. The Quarterly Civil List shows the appointments in the first two services namely the Provincial Educational and Sub-Assistant's services. The April issue of these lists shows some appointments in these services as vacant; and immediately below an entry vacant, ^{an} acting or sub-protem appointment is shown invariably. Thus it will be seen that there were no vacancies on those dates in the services shown in the Civil List. Apparently the Additional Member is referring to delay in making permanent arrangements in respect of vacancies, but the terms of the question are not specific on the point. It may therefore, it is submitted, be sufficient to refer the Additional Member to the Quarterly Civil List of 1st April of the years mentioned by him, ~~and with reference to the question of vacancies in the Provincial Educational Service, it is submitted that the vacancies in the Provincial Educational Service are shown in the Civil List of 1st April of the years mentioned by him.~~

As regards the services of supervisors, the appointments are similarly shown in the annual list of Educational officers and appointments; but the list for 1915 has not yet been prepared and ^{except} for 1914 the information had been prepared for a different date from the 1st April.

It

* except in the case of the head master of the Civil Training School, Bangalore on 1.4.14.

It is only for 1914 that the list has been prepared for the date asked for. It is submitted that the Additional Member may be referred to this list alone and that as regards the other years he may be informed that the Government are not in possession of the information. The following draft answer is submitted for approval:--

Draft answer.

"128. The Hon'ble Member is referred to the Quarterly Civil Lists for April 1913, 1914 and 1915, and to the list of ~~known~~ ^{in the Col. Schh} officers and appointments as ~~they~~ ⁱⁿ stood on 1st April 1914 published by the Director of Public Instruction, which contain all the information ^{that} the Government are in possession of. ~~those~~ ^{or} ~~show that there had been no unfilled vacancies in the Provincial and~~ ~~Subordinate Educational Services on~~ the dates mentioned, while there had been very few such vacancies in the ~~cadre of supervisors on 1st April 1914."~~ ^(Subordinate)
