LEGISLATIVE DEPARTMENT.

Educational Department.

The Hon'ble Rao Bahadur M. Ramachandra Rao Pantulu.

41 Q.—Will the Government be pleased to state—

(a) the amount paid as grant-in-aid for the construction of hostels in 1913-14, 1914-15 and the institutions to which, and the terms if any on which, these grants were made;

(b) the amount spent for the construction of hostels attached to Government institutions;

(c) the number of hostels attached to Government institutions and the amount spent thereon in 1913-14, the number of hostels under aided mission and aided indigenous management, the amounts spent by managers thereon from their own funds and also from contributions from the Government?

[Meeting of 25th May 1915.]

Clause (a).- No details as to the institutions to which, and the terms on which, the grants-in-aid for hostels were made are available here. Information regarding the total amount of these grants paid in 1914-15 has not also been yet received. The total amount distributed in 1913-14 (according to the Civil Budget Estimate) was Rs.2,71,956. It is not known how ~~much~~ much of this was intended for the construction of hostels and how ^{much} related to grants-in-aid proper. In statement (8) on page 38, of Volume I of the Public Instructions Report for 1913-14 a total sum of Rs.1,10,478 is shown under expenditure from Provincial funds on hostels aided by Government. It is not known whether any portion of this amount related to the construction of hostels, as distinguished from their maintenance. It is submitted that the D.P.I. may be asked u.o. to state definitely what is the total amount allotted in 1913-14 for grant-in-aid for construction of hostels. As regards the other particulars the Additional Member may be told

that

that information is not available.

Clause (b).- The period for which information regarding the amount spent for the construction of hostels attached to Government institutions is required has not been specified. Probably it is for the years 1913-14 and 1914-15 as in clause (a). It is also presumed that the Additional Member refers to the construction of new hostels and does not require information regarding repairs and improvements to hostels. No new hostels in connection with Government institutions appear to have been constructed in 1913-14 and 1914-15. It is submitted that this point may be verified by a reference to

P.W.D. A draft u.o. note is placed below.

Clause (c). The Additional Member may be referred to general table No. (8) appended to the Public Instruction Report for 1913-14. This statement does not, however, give the figures separately for Mission and non-mission aided institutions. Orders are solicited whether the

No portion of the sum of Rs 1,10,478 shown in Return No. (8) on page 38 of Vol. I of the Public Instruction Report- was utilized as capital expenditure on construction. The latter table includes only recurring expenditure on hotels (i.e.) expenditure on their maintenance.
