Dear Sharp,

Will you kindly refer to your letter of 3rd October 1912, D.O. No. 596 regarding the procedure to be followed by candidates in India for appointment to the Indian Educational Service? I now forward for disposal, an application which has

From Miss Janau dated : been received direct from a Miss Janau, who
17th Feb. with enclosures. : appears to be holding a post at a High

School in Poona but to be staying at Bangalore. If, as she states, she has been advised by the Director of Public Instruction, Madras, to apply to the Secretary of State, it would seem that the procedure laid down in your Circular letter No. 2255-2263 of 3rd October 1912, has been overlooked in this case, and it might be well to invite the attention of the Director of Public Instruction to that letter, and to arrange for Miss Janau's application (which, by the way, is not in the prescribed form) to be dealt with in accordance with the procedure laid down therein.

2. It is observed that Miss Janau gives her age as 42, which is considerably in excess of the ordinary age limit for Indian Educational Service candidates.

Yours sincerely,

Sd. M.C. Seton, Secy.,

Judicial and Public Department.

Bangalore, the 17th February 1915.

Dear Sir,

It has been suggested to me by the Director of Public Instruction Madras that I should apply to you with regard to a possible vacancy in the Indian Educational Service. I enclose particulars of my experience, copies of my testimonials and names of references.

I am quite willing to learn any vernacular that may be necessary and should prefer an inspecting to a teaching post - at the same time I could either help in training teachers or to take up a teaching post in the Madras University College for Women if my subjects are required there. I understand there were two vacancies at that College but do not know whether they are yet filled.

The minimum salary I can accept is 400 Rs. per mensem with the usual allowances.

I have now been out in India over a year and the climate seems to agree with me. I have always enjoyed good health.

Any further information you may require could be given you by my references or by my father - E. Janau Esq., 2 Ellerton Road Wandsworth Common S.W., late assistant master at Christ's Hospital and at present Examiner for the University of Cambridge.

I am, Sir,

Yours faithfully,

Sd. A.L. Janau.

In forwarding the application of Miss A. L. Jenan
the D.P. I. (Mr. Stone) merely stated that there was
no post in Madras for which the applicant would
be suitable. Apparently he did not consider her
unfit for employment in the I. E. S. This may,
however, it is submitted, be definitely ascertained
by a vis. reference to the Director.

As regards her qualifications Miss J. P. S. Co.
is eligible for employment in the Indian Educational
Service. She is B.A. of London University. But
it seems to me rather late in life to start a career
in the Indian Educational Service at the age of 42.
Her connection with India began in January 1914
when she was appointed Assistant of School in St.
Mary's High School, Poona.

Please see the applicant's allegation that it has been suggested to her by the D. P. I. to apply to the main office etc.

In February last Miss Janan asked the Director whether she should address him or the Secretary of State when applying for a post in the Indian Educational Service. She was informed in this office Proceedings No. 304/15 dated 13 February 1915 that as regards the Madras Coll. for Women the result

of his application to the Secretary of State would be accepted & that as regards the vacancy in the Superintendent's reference had been made to the Secretary of State. He was advised to apply in the form prescribed from through the Director & the Madras Government to the Secretary of State for employment in the Indian Educational Service either in College or in inspecting work.

See an Office note reference was made G.P. No. 928 Edl. Dated 18 October 1912 when replying to him Janan.

An application from this Janan was submitted to Government through the Director with this Office endorsement Cl. No 11 Dated 3 March 1915.

It appears from that the applicant has not understood the instructions issued by the Director.

To

The Secretary to the Govt. of India,

Department of Education.

Sir,

With reference to your letter No.

713 (Education) dated the 10th April

1915, I am directed to state that,

though Miss A.L. Janau is probably

eligible for employment in the Indian

I am ~~was~~ to add that the question of employing her in this Presidency was considered some time ago, and the Governor in Council came to the conclusion that it would not be advisable to

~~employ her.~~

do so.

2. As regards the impropriety of her direct application to the Secretary of State, referred to in the papers forwarded with your No. 776, dated the 27th idem, I am to state that the applicant was advised by the Director to apply in the prescribed form through himself and the Madras Government but had apparently not understood the instructions.
