GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. H. S. DUNCAN, M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 1st June 1915.

No.—Ref. on Cur. 10161/14.

Some of the classes of the Canadian Baptist Mission High school, Vizagapatam, are being held in a building known as Merangivari house belonging to one A. Venkata Jaggarao Bahadur Garu on a monthly rent of Rs. 75. Some time ago the owner proposed to sell this building and he apparently received several offers for it. As there was every probability that the school would be put to much inconvenience if the property passed into other hands, the management resolved to purchase it and in July 1914 they requested an assurance that their claim to a grant would not be prejudiced by their quietly purchasing the property at the earliest possible moment since if they delayed there was danger of the price being put up or of their losing the property altogether with the result that their school might suffer irreparable loss. Mr. Stone gave them this assurance.

2. In November 1914 a formal application for grant was submitted to this office. The purchase has been completed and the Government Solicitor has declared that the title to the property is clear. The Revenue and the Public Works Department authorities value the site and building at Rs. 20,758—*vide* the valuation statements enclosed. The actual amount paid by the management is however only Rupees 15,171. In view of the fact that this is one of the schemes embarked upon last year before the present conditions of financial stringency arose, I have the

honour to recommend that a grant not exceeding one-half of this amount, viz., Rs. 7,585 may be sanctioned to be paid when funds become available.

Order—No. 663, Educational, dated the 19th June 1915.

Subject to the conditions laid down in the Grant-in-Aid Code, the Government sanction a grant not exceeding Rs. 7,585 towards the cost of the building purchased for the Canadian Baptist Mission High school, Vizagapatam.

2. The grant will be paid only when funds become available.

NOTES CONNECTED WITH G.O. No. 663, EDUCATIONAL, DATED
THE 19TH JUNE 1915.

[SUBJECT.—Building grant for the Canadian Baptist Mission High school,
Vizagapatam.]

From the Director of Public Instruction, dated the 1st June 1915,
R.O.C. No. 10161/14.

Under article 50 of the Grant-in-Aid Code a grant is admissible for purchasing school houses and under article 51 the Director of Public Instruction must have been consulted before the purchase was made. In the present case the Director has been consulted before purchase and the building is apparently suitable for school purposes. The title to the property has been declared to be clear by the Government Solicitor and the Collector's valuation has been accepted by the Executive Engineer. Submitted that a grant is *prima facie* admissible.

2. In his letter No. 357, dated the 10th January 1915, the Director of Public Instruction pointed out that the liability of the department under building grants amounted to nearly 6 lakhs and that as

the allotment ordinarily provided for this purpose in the budget estimates would be insufficient to pay off the grants already promised it was undesirable to go on increasing the liability. It is apparently to this circumstance that the Director refers in the concluding portion of his letter. But there appears to be no objection to a half grant being sanctioned now and payment made when funds become available, the present scheme having been embarked upon on the assurance of Mr. Stone that the claim of the school authorities to a grant would not be prejudiced by the purchase of the property at the earliest possible moment, before the grant was formally sanctioned.

3. A draft order is submitted for approval.
