GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE AND INDUSTRY.

Simla, the 14th June 1915.

PRESS COMMUNIQUE.

As some misapprehension appears to exist regarding the intentions of His Majesty's Government with regard to the supply of dye-stuffs to Indian consumers as explained in the communiqué of the 18th of November last, it is announced, for general information, that the principles on which the supply has been regulated are as follows.

While the question of the supply of dye-stuffs to consumers in the United Kingdom is regarded as of primary importance, it is also considered by His Majesty's Government and the Government of India a matter of urgent necessity, that efforts should be made to furnish the Indian textile industries with a fair proportion of the colouring matters produced by English works, and this view of the matter has been brought to the notice of British manufacturers by the Board of Trade. Licenses to export dyes from the United Kingdom to India have been granted by the Home Government almost without exception; but it has been occasionally necessary, in consideration of the requirements of the United Kingdom and other parts of the Empire to reduce the quantities applied for.

It will of course be understood that the output of such products in the United Kingdom is at present not on an adequate scale to furnish textile works either in England or in India with full supplies.

Order—No. 677, Educational, dated 22nd June 1915.

A copy of the Press Communiqué issued by the Government of India regarding the export of dye-stuffs from the United Kingdom to India will be forwarded to all Chambers of Commerce and the Trades Association, Madras.
