R.C No. 788 of 15

Station Madras, Dated the 18th June 1915

From (Name) The Hon'ble Mr. H.S. Duncan, M.A.,
(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Educational Department.

Sir,

In reply to Memo. No. 1673-1 Edl., dated 11th May 1915, I have the honour to report that Miss Meyers desires that, after her period of training, she receive a post in the Indian Educational Service, preferably in connection with lecturing work in the College for Women, and that her period of service with this Government (one year) be considered as a portion of the five years' obligatory service proposed by Government. In this case she is prepared to bind herself to serve Government on the conditions proposed in the Memorandum under reference. In the event of her non-employment in a post in the Indian Educational Service she

desires that a minimum salary of Rs.200/- per mensem be fixed and that the period of the bond be limited to three years, including the year that she has already served in the College for Women. She states that it was Mr. Stone's intention to propose her re-employment in the College for Women after training and that she is willing to bind herself to accept any post therein similar to the one she now holds if Government should accept the recommendations of the Director.

There is no essential difference between Miss Meyers wishes and the intentions of the Director, but it is impossible for the Director to anticipate and pledge the action of Government in this matter.

I suggest that Miss. Meyers be awarded a scholarship of the usual sum and under the usual conditions and that in addition thereto she bind herself to serve Government for four years after her return from training at a minimum salary of Rs.250 per mensem. I am further prepared to recommend that the name of Miss Meyers be proposed to the Secretary of State for appointment in the Indian Educational Service after the termination of her period of training on the receipt of satisfactory reports of her progress during training.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

SUBJECT Award of special scholarship to Miss Myers

(I) Please see Gono. 308-9 Sdly 10-7-14 and the notes connected therewith. With that letter Miss Myers' name was submitted to the Govt. of India for a special scholarship, the cost of which ~~was to be~~ met by the Govt. of India and the Madras Govt. in equal proportions. The former, however, declined to meet half the cost of the scholarship and the further consideration of the question was allowed to lie over and the Director was permitted to bring the matter up, if necessary.

para. 2 of the f.o. (J)

para. 2 of D's letter on p. 2 of Gono. 308 Sdly 17-3-15

(C) 2. The Director recommended her for the State scholarship available for award for the domiciled European or Anglo-Indian girls or women in 1915. But that recommendation was not accepted by the Govt. partly because Miss Myers was not fully qualified for the scholarship as she is not strictly speaking a native of India within the meaning of Statute 33, Chap 3, Section 6 and partly because a candidate for medical training had to be recommended in preference to one for educational training - vide Gono. 308-9 Sdly 17-3-15 & the notes therewith.

3. The question now for consideration is whether Miss Myers may be granted a special scholarship.

tentive cost being met by this Govt. in the circumstances stated in para. 1 ante. Attention is in this connection solicited especially to Mr. Francis' note on page 3 and to the Hon'ble Mr. Cardew's note supra of note to G.O. 808-9 Dtd 10.7.14 in which they were inclined to give Miss Myers a special scholarship entirely at the expense of Provincial revenues, if the Govt. of India declined to meet half its cost and if Miss Myers failed to get the usual European lady-scholarship. Both these contingencies having now happened, it is for consideration whether Miss Myers may be granted a special scholarship, and the Madras Govt. may meet the entire cost. This is roughly estimated at Rs 10,000. I should have already examined this case - please see pages 305 of note with G.O. No 1150-23.

From the D.P. Rec No. 786/15 of the 18. 6. 15.

Please see the D.P. Letter on page 2+3 of Cf. Submitted that the suggestion of the Director ^{in para 2} may be accepted and the Govt. of India addressed for sanction. The question of ~~submitting~~ appointing Miss Myers to the Indian Educational Service may be taken up later, after the termination of her training in England.

2. In view of the semi-official correspondence papers in G.O. 1159 7.10.14 (T) which has already passed between the Govt. of India and this Govt. on the subject it is submitted that India may be addressed by d.o. now. The following do. is for approval:—

D.O.
"Dear Mr. Sharp,

"With reference to the correspondence p. 6 of the G.O. (T) ending with my d.o. no. 2740-2 of the 7th October 1914 regarding the proposal to give Miss Myers a special scholarship of £200 a year for three years to enable her to proceed to England to qualify herself for the teaching profession, I am directed to state that, in view of the Govt. of India's reluctance to pay half the cost, this Govt. are willing to meet ^{from Prof. Revenue} the whole cost including the cost of Miss Myers' passage to and from England ~~and from Prof. Revenue~~. I request that the ~~sanction~~ sanction of the Secretary of State may be obtained at an early date,

Yours faithfully,
22.6.15

I am to add that this foot. have decided to secure a ~~binding~~ promise from Miss Myers to serve the Govt. for four years after her return from training at a minimum salary of Rs 200 per annum.

Yours sincerely

Dr. Koh think that we should, at this stage, commit ourselves to any promise or understanding as to Miss Myers' support in the Indian Educational Service. But a promise may be given her that she would, in case we decide to employ her, be given a minimum salary of Rs 200 per. This is what she demands. In regard to the period, Miss Myers wants it to be paid at three years, including the one year she has already

serves. I think were
 she would live herself
 only for two years. I think
 that this is not an adequate
 period. I would make it
four years as suggested
 by the D.P.I. She has
 no claim on us: and
 this to get her training
 is an expense: and I
 think that a period of
 four years' service is not
 an excessive obligation
 to impose on her. Whatever
 terms for her may decide.
 I think that her lawyers
 should be told of them and
 her family acceptance
 taken before we proceed
 further.
