Esquire, I.C.S., Collector of North Arcot, to the Secretary

to the Commissioners of Land Revenue, Madras, R.O.C. No.

I have the honour to submit the memorial

addressed to His Excellency the Governor of Madras, by

Muhammad Niaz Hussain Sahib who was till recently a Probationary -
Revenue Inspector in this district, and to state that with reference
to Board's Proceedings, Land Revenue, Misc. No. 467, dated 16th - *nc*
February 1915, the probation of this Revenue Inspector ceased with
effect from 26th February 1915.

2. The memorialist prays that in consideration of the fact
that he belongs to a distinguished Muhammadan family he may as a -
matter of grace and special favour, be exempted from passing the -
special tests obligatory for his confirmation as Revenue Inspector.
Muhammad Niaz Hussain Sahib was a probationer in this district -
for a little over three years and had undergone all the courses -
of training prescribed in Government Order No. 682, dated 11th -
March 1911. As submitted in my letter to Board, R.O.C. No. 6121/G1. *nc*
of 1914, dated 26th January 1915, the Divisional Officer, Tiruvannamalai,
under whom this probationer was working for more than a year found
him intelligent and painstaking in the discharge of his duty which
he was doing carefully and well and as such deserving of the -
concession prayed for.

2. The memorialist was first appointed as ~~a~~ Revenue Inspector
on 3rd January 1912. In their Order No. 855, Educational, dated 4th *copy of this order*
December 1911, Government exempted him from the provisions of article 1 *is stated to be*
of the Public Service Notification to enable him to hold this post *put up for*

and to appear for the special tests which he has to pass under
the rules. The two years of probation allowed by Government -
Order No. 682, Revenue, dated 11th March 1911, expired on 3rd -
January 1914. On this date he had not passed any of the special
tests nor had he successfully undergone the course of survey -
training prescribed for Revenue Inspectors. In his report -
about the memorialist of the year 1913, Mr. Marjoribanks as -
Collector of North Arcot, stated that there was no prospect -
of the memorialist qualifying himself for confirmation by -
passing the special test examinations. In consideration, how-
ever, of his belonging to the Carnatic family, the Board -
recommended to Government an extension of his probationary -

period by one year with the remark that if he did not pass the
Survey and ^{the} Special tests within the time allowed his probation
would be terminated. Government approved this recommendation.

3. The memorialist successfully underwent the course
of Survey training prescribed for Revenue Inspectors; but he
did not pass any of the special tests. He then requested that
having regard to his high family connections, he might, as a
matter of grace, be exempted from the special tests obligatory
for his confirmation, since he had undergone all the courses
of training prescribed in Government Order No. 682, Revenue,
dated 11th March 1911. As however, the memorialist had had a

22
Mu sufficient number of chances for passing the examinations but did
Re not pass in any of them in spite of the warning given to him by the
to Board last year, the Board directed that his probation should cease.

4. In the circumstances stated above, the Board regrets that
it is unable to make any recommendation on the memorialist's behalf.

The humble Memorial of Mahammad Niaz

Husain Sahib submitted through F.J. Richards Esq
I.C.S. Collector of North Arcot and the Hon'ble
Mr. R.B. Clegg, I.C.S. Commissioner of Land Revenue

Most Respectfully Sheweth:-

That the Memorialist begs to solicit your
Excellency's benign support by virtue of the
circumstances detailed herein and of the magna-
nimity of your Excellency upon which the pros-
perity and amelioration of the Memorialist
evidently depends and hopes fervently that a
favourable consideration will be accorded
to his prayers as herein set forth.

2. That the Memorialist is a scion and
member of the Carnatic family which bears an
imperishable record of its unswerving fidelity
and devotion to the British Government which may
be culled from the pages of history shedding
an undying lustre upon the allegiance
of the said family to the Crown, and upon
those allied relations in the past, that have
evoked solemn pledges of the Government of
Madras to protect and advance the interest of
its members at large in the sphere of life
pregnant with immense potentialities and
successes. That the Memorialist not to speak of

of his relationship with the present Prince of Arcot as a cousin, is a grand son of His Highness late Prince Sir Zahirud Doula Bahadur G.C. S.I. who in view of the past but loyal and genuine alliance of the late Nawabs of the Carnatic was highly respected and esteemed in the illustrious Darbar of 1877 at Delhi establishing thus a land mark in the vicissitudes of his family and binding its destinies to the patronage extended to the generation thereof.

3. That the Memorialist while recording herein the ancestral loyalty bequeathed to the best part of the family to which he belongs and also the loyal propensities and feelings of his parents more saturated and strengthened on account of Carnatic Stipends which they are in receipt of - begs to state that he was exempted from examination rules on the recommendation of the Board of Revenue Vide G.O.No. 855 Educational dated 4th December 1911, and G.O.No. 323 Revenue dated 7th February 1912) with a view to widen the horizon of his thoughts and inspirations and coach up the other members of his family, in the line of education and attainments.

4. That Memorialist after securing exemp-
-tion was provided with the post of a proba-
-tionary Révenue Inspector specially reserved
in the District pending receipt of the exemp-

appointment. The period of his probation has expired and he is unable to secure confirmation.

6. The Memorialist has qualified himself in Survey Test and possesses sound practical knowledge of Revenue work. He was given excellent training in various branches for three years but ~~did not~~ ^{by dint} of which he hopes to discharge his ~~duties~~ ^{to} to the entire satisfaction of his superiors by assiduous application and integrity and prove an acquisition to the Department.

7. The Memorialist committing himself to the prerogative of Your Excellency's clemency and kindness prays that your Excellency will as ^a ~~is~~ matter of grace and special favour be pleased to exempt him from passing the special test obligatory for confirmation.

For which act of kindness the Memorialist shall as in duty bound ever pray

In 1911 the petitioner requested that he might be exempted from the examination rules as he had not passed any examination, appointed as a probationary revenue inspector and allowed to appear for the special test examinations of the revenue department. In consideration of his relationship to the Carnatic family ^{of the fact} and that he possessed a good knowledge of English, the Govt. exempted him from the provisions of article 1 of the public service notification and from para. 3 of R.O. No. 682 R.O. 11.3.11 for his appointment as a revenue inspector in the upper division of the subordinate service of the revenue department and allowed him to appear for the special test examinations.

2. The petitioner was appointed a probationary revenue inspector in the North West District on 3-1-12. Probationary revenue inspectors are appointed on probation for two years and during the period of their probation they shall successfully undergo the courses of training prescribed in para. 5 of R.O. No. 682 R.O. 11.3.11 and pass the following

Special tests:-

(1) Revenue Higher

(2) Criminal "

+ (3) Account test.

During the two years of his probation the petitioner did not pass any of the above tests and did not undergo successfully the prescribed survey training. His probationary period was extended by ~~another~~ a year and he was warned that if he did not pass the special tests and undergo the survey training successfully his probation would cease. He underwent the survey training successfully but did not pass any of the special tests. during this period of extension.

The Board hereupon directed that his probation should ~~be~~ cease. It ceased with effect from 26. 1. 15. The petitioner now requests that he may be exempted ^{passing} from the special tests and confirmed as a revenue inspector. In forwarding his petition the Collector states that the Divisional Officer, Tiruvannamalai under whom the petitioner was working for more than a year found him intelligent and painstaking in the discharge of his duty which he was doing carefully and well and recommends the ^{grant of the} petitioner's

request. The Board ~~however~~ has no a
commendation to make on behalf
the petitioner.

3. When the petitioner's probation ceased,
the exemption granted to him in G.O. No.
855 Vol. d. 4. 12. 11 also ceased and he will
not be eligible, it is submitted, to hold
any post in the superior service the pay of
which exceeds Rs. 20 p.m. It is for considera-
tion whether he will be exempted fresh from
from article 1 of the public service notifi-
cation, exempted from the special tests
and confirmed as a revenue inspector. If
it is decided that he should not be exempted
from the special tests,
it is for consideration whether he
may be exempted from article 1 of the
public service notification to hold any
post in the revenue department. In this
case he can be appointed to any post
in the revenue department the pay of
which is below Rs. 35 and thereafter he
may be left to work his way up by
passing the requisite special tests in the
lower grade.

Please see pp 2-4 of c. The Board's conclusion seems to me the only possible one in the circumstances. The probationary examinee inspectors are averse to higher appointments & the peti. who has been given every chance, is apparently not

up to the requisite standard. I see no sufficient reason to exempt him from the special tests - which is all that he now seeks.

I am afraid that the memorial must be rejected. We are not told ^{the name of} the Di^o-off, Tiruvannamalai, under whom Petr worked & who found him "intelligent & painstaking", but such reports are too readily made by Di^o Collectors to deserve much consideration, & if the Petr had been ~~other~~ intelligent & painstaking, he could certainly have passed some at least of the Spl Tests. Either his educⁿ must be defective or he can't possess the power of applicⁿ next in a h^ot serot. He has had a fair chance & failed & has no one to thank but himself for the result.
